The Famous Shoe for Women.

What the name Worth means to a a lady's costume, just that thing Queen Quality means to a woman's shoe. It designates the highest attainment to . date. This is mous shoe sets the shoe fashions and makes the styles for other shoes. It stands pre-eminent as the leading American shoe for women.

The "Quality" fits the foot snugly yet without pressure. It gives the ball and toes room for free play and natural action, and at the same time holds the heel and instep so as to prevent the chaf-

ing and slipping of the heel and the crowding of the toes so common in other shoes; which are the causes of so many large and inflamed joints, and other foot deformities.
