## TAMMANY AHEAD

MCCLELLAN HAS A BIG MA-  
JORITY FOR MAYOR OF  
GREATER NEW YORK.

He Carries the City by 61,414—  
Mayor Low Carries Only One  
Borough—Result of Elec-  
tions in Other States.

New York, Nov. 3.—After a re-  
markable campaign, in which nearly  
all of the newspapers and practi-  
cally every minister of religion in  
this city were united against him,  
George B. McClellan son of the  
Civil War General, was today elec-  
ted the third mayor of Greater  
New York over Seth Low, fusionist,  
the present mayor, by 61,414 votes.

The result shows a tremendous  
change of public sentiment since  
Low's election two years ago,  
when he won by 31,631. At that  
time he carried all the boroughs  
but Queens, his plurality in Man-  
hattan and the Bronx 5663, in  
Brooklyn 25,767 and in Richmond  
736.

Today, McClellan carried Man-  
hattan and the Bronx by about  
50,000, a gain of 15,000; Brooklyn  
by 3500, a gain of 27,500, and  
Queens by about 5000, a gain of  
more than 4,000. This makes a to-  
tal net gain for McClellan of about  
103,000, as compared with Shep-  
ard's vote of two years ago. Low  
carried only one borough, Rich-  
mond, by about 200.

Edward M. Grout was elected  
controller, and Charles V. Fornes  
president of the board of aldermen.  
These two men were originally on  
the fusion ticket, and were endor-  
sed by Tammany, whereupon the  
fusionists took their names from  
the Low ballots and nominated  
other candidates.

Columbus, O., Nov. 3.—Shortly  
before midnight, Chairman Dick  
announced that Myron Herrick's  
plurality for Governor over Tom  
Johnson would exceed 125,000. It  
is thought the republicans will  
on joint ballot will exceed 74.

Louisville, Ky., Nov. 3.—With  
the close of an election character-  
ized by an unusually heavy vote,  
the re-election of Governor Beck-  
ham, Dem., over Colonel Morris B.  
Belknap, Rep., by a majority of  
fully 15,000 seems assured. The  
republicans concede the election of  
Governor Beckham.

Boston, Nov. 3.—With returns  
complete from every town and city  
in the state, the total vote for gov-  
ernor stands: Bates, rep., 199,393;  
Gaston, dem., 163,545. The rest  
of the state republican ticket was  
also elected.

The hard work of the party man-  
agers in this city resulted in in-  
creasing Gaston's plurality of 13,-  
000 last year to nearly 20,000 this  
year.

Trenton, N. J., Nov. 3.—The re-  
publicans today elected four state  
senators and enough of the assem-  
bly to claim both houses. The en-  
tire democratic assembly ticket was  
elected in Union county, which is a  
defeat for United States Senator  
Kean. The house of assembly will  
consist of 36 republicans and 24  
democrats.

Philadelphia, Nov. 3.—Estimates  
from the 67 counties of the state in-  
dicate a plurality for Mathus, re-  
publican, for state treasurer, of  
217,784. Snyder for auditor-gen-  
eral, and Morrison and Henderson,  
for judges of the superior court,  
were given approximately the same  
immense plurality.

Republican state Chairman Pen-  
rose gave out a statement that his  
party had carried the state by 200,-  
000.

Providence, R. I., Nov. 3.—At  
midnight the returns indicate the  
re-election of Governor Garvin,  
democrat, by a reduced plurality.  
The vote is very close, however,  
and the result probably will be in  
doubt until the last district is heard  
from. In Providence, Mayor Mil-  
ler, democrat, was re-elected.

Denver, Nov. 3.—With nearly  
full returns from the election in  
this city and scattering returns  
from various parts of the state,  
there seems to be little doubt of the

election of Judge Campbell, rep.,  
as a member of the supreme court.  
The vote has been light throughout  
the state and returns are very in-  
complete. The republican state  
central committee says Campbell  
has 5,000 plurality over Wilson.

Des Moines, Nov. 3.—Returns  
received up to midnight indicate  
the re-election of Governor Cumins  
by 60,000 and of his associates on  
the republican ticket by substan-  
tially the same pluralities. At  
democratic headquarters so large a  
plurality is not admitted. The  
democrats may gain three mem-  
bers of the House.

Omaha, Nov. 4.—At 2 o'clock  
this morning the defeat of J. J.  
Sullivan, democratic candidate for  
the supreme bench, by John Barnes,  
rep., is conceded. The majority will  
be between 4,500 and 5,000. The  
returns show fusion gains.

Salt Lake, Utah, Nov. 3.—Al-  
most complete returns give Morris,  
democrat, about 1500 majority over  
Knox, republican. The democrats  
also elect 13 of the 15 councilmen.  
Eight are Mormons.

Baltimore, Md., Nov. 4.—At 2:30  
A. M. only 85 of the 308 voting  
precincts of Baltimore City had  
been reported. These, if the ratio  
in the democratic gain is main-  
tained, indicate that Edwin War-  
field, dem., for governor has carried  
the city by 7,000 or 8,000 plurality.  
Returns from the counties are meag-  
er, but it is not thought the re-  
publican vote in the state can over-  
come the democratic plurality in  
the city.

Bridgeport, Conn., Nov. 3.—May-  
or Dennis Mulville, known as the  
"Stoker Mayor," was carried in a  
triumphal procession tonight dur-  
ing the celebration of his re-elec-  
tion. With him practically the en-  
tire democratic ticket was carried  
into office. Mulville defeated Geo.  
E. Hill, rep., by 2,181 in the great-  
est poll in the city's history.

Sacramento, Nov. 3.—W. J. Has-  
sett, dem., was elected Mayor of  
Sacramento over Albert Elkus, rep.  
by from 600 to 650 votes.

San Francisco, Nov. 3.—Today's  
election brought out a heavy vote,  
one of the largest in years where  
the issues were purely of a local  
character. The incomplete returns  
tonight indicate that Eugene E.  
Schmitz, the union-labor party can-  
didate, has been re-elected mayor.

San Francisco Examiner: The  
American flag, which for thirteen  
years floated above four palmy isles  
in the South Seas, known as the  
St. David Group, was recently  
hauled down and the emblem of  
Holland hoisted in its place. The  
Dutch colonial government sent a  
gunboat to the islands to enforce  
their demand that the flag of the  
United States should come down.  
The story of the affair reached this  
country for the first time on Octo-  
ber 28, the news being brought by  
the German trading schooner Di-  
ana, which arrived from the Caro-  
line islands. Captain James Zaeh-  
ary formerly master of Millionaire  
Fithian's yacht Rover, was a pas-  
senger on the Diana, and to him  
the natives on the St. David's Is-  
lands told the story of the insult to  
the American flag.

The St. David Islands are four  
in number and lie near the equator,  
close to New Guinea. The isles are  
small, but exceeding fertile, and  
yield an abundance of copra. Thir-  
teen years ago David O'Keefe, an  
American known as the "Copra  
King of the Caroline Islands,"  
came there and hoisted the Ameri-  
can flag. This fact has remained  
unknown until now. Captain  
Zaehary tells the following story:  
"In trading among the Caroline  
Islands I visited the islands of St.  
David, and there learned of the U-  
surpation of them by the Dutch.  
O'Keefe who was a trader well  
known in this city and who recent-  
ly perished at sea, secured the right  
to the islands from the native  
kings and placed the isles under  
the American flag. He married a  
native woman. Some time ago a  
Dutch gunboat visited this group  
and ordered the natives to haul  
down the flag. Olsen refused to  
obey the command and a number  
of marines were landed from the  
warship, the flag was hauled down  
and the flag of The Netherlands  
hoisted in its stead."

## A DEADLY EXPLOSION.

SIXTEEN MEN KILLED AND  
MANY INJURED ON GOV-  
ERNMENT ISLAND,

Detonations Plainly Heard in City  
of Peekskill for More Than  
an Hour—Physicians Hur-  
ry to the scene—Other  
News.

Peekskill, N. Y., Nov. 4.—Six-  
teen men are reported dead and a  
number wounded as a result of a  
series of explosions today on Iona  
Island, in the Hudson, used by the  
government as a storehouse for dy-  
namite and powder. The first ex-  
plosion occurred shortly before 1  
o'clock, and was followed by others  
for more than an hour, the detona-  
tions being heard in this city until  
2:30. A telephone call was sent  
here for every physician available,  
and all that could be found respon-  
ded to the call. Beyond the fact that  
16 men were killed and many  
wounded, no details of the disaster  
was obtainable at 2:30.

The explosion was heard for  
more than ten miles. The island  
is five hundred yards from the west  
shore of the Hudson, but rocks  
and dirt were hurled to the banks,  
falling on the tracks of the West  
Shore Railroad. A large amount  
of the explosives of the North At-  
lantic Squadron was stored on the  
island and several hundred men  
were stationed there. The blaze of  
bursting explosives made a terrify-  
ing spectacle, which was watched  
by hundreds of persons on this side  
of the river.

Four years ago the government  
purchased the entire island for the  
purpose of converting it into a na-  
val magazine. The work was be-  
gun immediately after the pur-  
chase, and was in progress today.

Lake Village, Ark., Nov. 3.—  
Two people are dead and three  
wounded as the result of a trouble  
between whites and blacks here to-  
day, which was not settled until  
a lynching had quieted the excited  
people.

A riot occurred between some  
negroes and whites early in the day.  
It is alleged that during the alter-  
cation, Ed Coleman, colored, pulled  
a pistol and began shooting. A  
fusillade followed, and when it  
ceased, it was found that Frank  
Anderson, one of those in the crowd  
was dead. Vinson was shot in two  
places, Joseph Frame wounded in  
the foot, and Ella McDowell, col-  
ored, shot in the back.

Coleman fled, and a posse at  
once started in pursuit. Johnson,  
one of the negroes, was arrested.  
At noon, the mob gathered at the  
court house.

Sledge-hammers and railroad  
irons were quickly found and in  
thirty minutes four doors at the  
jail had been broken down. The  
mob quickly secured the negro,  
took him to the center of the town,  
and hanged him at noon.

New York Oct. 31.—The World  
says: The civil suit against Rep-  
resentative Littauer, charged with  
cheating the government with col-  
lusion in an army-glove contract,  
is said to be weak. But Littauer  
cannot be prosecuted as a criminal  
because the offenses charged date  
back more than two years. The  
"statute of limitations" for Federal  
officials protect him.

Perry Heath was First assistant  
Postmaster - General under Mc-  
Kinsey. Much of the evil doing  
in the Post-Office department tra-  
ced to Beavers, Machen and others  
seemed to implicate Heath as the  
executive officer of the department,  
but it was thought impossible to  
prosecute him owing to the "statute  
of limitation." It is now reported  
that he may be prosecuted after  
all. It will be time enough to be  
sure of this after it happens.

As if legal limitations were not  
enough, President Roosevelt him-  
self sent an extra-legal limit when  
he said there was to be in the pro-  
secution of the robbers no "taking  
over of dead men's bones," no at-  
tempt to do more than present  
"graft" and punish thieves who  
were still at work.

With "graft" exposure in almost  
every great Government depart-  
ment—in the Post-Office, in the  
Public Lands Bureau, in the Indi-  
an Office—is it not time that the

statute of limitations for public ser-  
vants should be amended to make  
the period of immunity five years  
or ten? is it not in effect an invita-  
tion to "graft" when an evil  
minded official knows that he may rob  
the people and become exempt from  
punishment all within the four  
years of a single administration?

## An Open Letter.

Creighton of North Yakima,  
Wash., Who Received Treatment  
by Mail from Dr. Darrin for Ner-  
vous Debility and Diseases Pec-  
uliar to her sex—Dr. Darrin Com-  
ing to Corvallis November 16th.

Dear Dr. Darrin—I can never  
thank you enough for what you  
have done for me. You deserve all  
the praise that's been given you in  
the press. I do not feel that I need  
to order more medicine. Words  
cannot express how much I enjoy  
my good health. I felt so many  
times that my life was very short  
and that I soon would have to part  
from my loved ones. I could not  
help but feel unwilling to go and  
leave them, still I wanted the  
Lord's will to be done. Again with  
heartfelt thanks to you, dear doctor,  
for your interest and the help you  
have given me in restoring my body  
to health I am always your friend.  
NINA L. CREIGHTON.

P. S.—You are at liberty to pub-  
lish this letter and the facts of my  
case.—N. L. C.
