FOR STATE GRANGE.

In Corvallis - Plans of Committee on Entertainment.

Present indications are that every grange in Benton County will take an active part in entertaining the State grange at Corvallis in May. Several granges have already selected representatives to co-operate with the local committee in furnishing a banquet at which there will probably be no less than two hundred and fifty grangers.

Last Saturday Corvallis grange appointed the following members to act with the committees os theother granges. T. T. Vincent, Mrs James Withycombe, Mrs. Melissa McMahan, Mrs R. L. Whitehead and Mrs Catherine Hill. Inasmuch as the opportunity to do the magnificent sired and urgently required that every grange will participate in the welcome to the visitors.

Twenty new members were ground out in Corvallis grange last Saturday with the probability that there will be more work of character at the next meeting.

In one of his lectures Mr. Davenport told how he had endeavored year after year, to get exported from Silverton with the butter and eggs which that city sends forth into the world every day and how he each time was returned though the butter and eggs stayed. Then he described his endeavor to draw a stove for the Oregonian advertising two or three vacant lots in Corvallis. department and his narrow escape from involving the paper in a damage suit as the result. Next he related his visit to the Marquam Grand theatre many years ago, when he and his sister came to see Clara Morris, and because they neglected to provide themselves with handkerchiefs, caught cold from bathing their feet in the tears they shed. Mr. Davenport's easy, natural style of telling his stories captivates his audiences from the start, and he keeps the house in an

Acceding to the wishes of a large number of patrons and friends of our public schools, I submit my name to the voters of Benton county for the office of county school superintendent.
