Proof of Woman's Amiability.
One thing stands as a sure proof that woman is an amiable creature, easily pleased and satisfied with her lot. And that is that when she buys a dress really made she rejoices because it is much better and cheaper than fussing to have it made. And when she has it made herself she wonders why people ever get things ready made when one can have clothes made "just as one wants them and cheaper!"—Philadelphia Bulletin.

Under Cross Examination.
Counsel—Your age, signiorina? Young Lady (bashfully)—Oh, I hardly like to tell you. Counsel—Yet I must insist on knowing it. Pray tell me how old you were ten years ago. Young Lady (cheerfully)—Oh, twenty-three!—Fanfulla.

The Proper Term.
Cholly Gayboy—I heah you warnked that no girl would be wise to marry Gussie Whittless or me because we were too fastidious. Miss Sharpe—You haven't got it quite right. I said you were "two fast idiots."—Philadelphia Ledger.

With Respect to Fish Stories.
Harry—Fish diet is said to be good for the brain. Harriet—That may be so, but going to catch fish seems to be awful hard on the morals.—Cincinnati Commercial Tribune.

HOME TESTIMONY

Dr. Darrin, the truly eminent physician and specialist, whose offices are located in the new Hotel Corvallis, in this city, for about a month, is now ready to attend to patients afflicted or suffering from any special disease. The numberless testimonials which he bears from all parts of Oregon aside from the great number which he has published in the "Times" during the past year is wholly sufficient to convince this community or any other, that his ability in his profession ranks very high. The cures in which he has been successful by his treatment with electricity and medicine, have been exceedingly astonishing.

The following testimonial is from one whose truth and veracity has never been questioned in this city for the 14 years he has been among you, and is therefore an unimpeachable testimonial. We refer to James E. Durham, of the "Times" office. He says:

JAMES E. DURHAM'S CARD.
"FOR a long time prior to going under Dr. Darrin's treatment, one year ago, I had been sorely afflicted with rheumatism and kidney trouble. It was almost impossible to walk. During Dr. Darrin's last visit, I took his electrical and medical treatment and after a few weeks my rheumatism and kidney complaint was a thing of the past. Furthermore, I will state that I was frequently sorely attacked with cramps in my feet, ankles and the calves of my legs with such force, that I was obliged to jump out of bed many times, and so hard were the attacks that they would leave the effected spots quite sore for more than a day. I have not experienced even one such affliction since I placed myself under Dr. Darrin's electrical treatment. He who is afflicted with the same ailments will miss it if he fails to place himself under the doctors treatment during his stay here in Corvallis. I recommend the doctor with full confidence to all afflicted. His offices are at Hotel Corvallis. I am connected with the Corvallis Times and can be found there any time by any one who would like to hear a verification of this testimony by word of mouth of my letter.
JAMES E. DURHAM,
Corvallis, Or.

The Noble Red Man Today.
"Yes," said the portly and consequential gentleman in the observation car, "these plains were once roamed over by savage red men. The Indian in those days was a famous hunter. When he was not on the trail of the bear or the buffalo he was on the scent of the white man."
"Is he on the cent of the white man yet," said the dapper little tourist with green goggles.
The portly one smiled indulgently.
"Low do you make that?" he asked.
"I don't. It was made at the mint."
And the observation car grinned appreciatively.—Kansas City Journal.
