Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Scranton, May 30.—Nan Patterson headed a company which last evening presented "A Romance of Panama" at the Lyceum theatre, the principal amusement house of Scranton.

The girl was extensively advertised, but only two-thirds of the house was filled and the audience was not representative, although many women attended.

The performance, an alleged musical comedy, proved nothing more than a burlesque show given a little retouching to make it fit for women in the audience. The music was good in spots, and some of the people capable, but the audience was shocked by the shortness of skirts and the lack of costume.

A good portion of the women attendance fled after the first act, hence did not see Nan Patterson, who appeared only in the last act to sing one song.

Miss Patterson made an excellent appearance and was warmly applauded.

Mr. Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." For sale by Graham & Wortham.
