### NEWS OF CORVALLIS AND VICINITY TOLD IN BRIEF.

#### The Comings and Goings of People Social Gossip, Personal Mention and Other Items of Public Interest.

—Mrs. T. T. Vincent is in King's Valley for a two weeks' visit with her son.

—The Register is authority for the statement that one hundred new houses will be built in Eugene during 1905.

—Mrs. Mary Avery leaves tomorrow for a stay of two weeks at Newport. She is to be one of the occupants of the Pennot cottage.

—William Baker and family and Mrs. Fred Overlander left Wednesday for a couple weeks outing in Alsea.

—Hunters' licenses were issued the past week to W. H. Bauer, Alexander Rennie, Dick Graham, A. C. Johnson and Thad Blackledge. Up to date, 70 licenses have been issued in Benton.

—In a base-ball game between the Congregational Cadet Corps and the Corvallis team on the flat Thursday, the latter won by a score of 19 to 8.

—Mr. and Mrs. M. L. Hubler gave a very pleasant reception Tuesday evening at their home, in honor of Mr. Hubler's mother, who left the following day for her home in Washington.

—Mr. and Mrs. H. O. Dunham were to arrive yesterday afternoon from Mound City, Missouri, to take up their residence in Corvallis. For the present they will reside at the home of Mrs. Dunham's parents, Mr. and Mrs. Levi Oren.

—Up to yesterday morning, no indictments had been found against the Greens by the Lincoln county grand jury. A great many witnesses had been examined, pro and con, Miss Minnie Davis, who formerly lived with the Greens having been summoned Wednesday from Corvallis to testify. It was expected that it would be known yesterday whether or not a true bill would be found.

—Construction of the largest and most powerful battleship in the world is soon to begin at the Portsmouth dockyard. It is planned to build the vessel from the laying of the keel plates to the hoisting of the pennant in a period of 16 months. Thirty to 36 months is the average time at present devoted to the building of battle ships of smaller size. This rapidity is calculated to result in a great economy, but, nevertheless, the cost is estimated at nearly \$10,000,000. So heavily will this vessel be armed that she will be equal to any two battleships now afloat, and her striking power at such a range as that at which the engagement opened in the battle of the Sea of Japan will be as great as any three battleships of the ordinary type. The displacement will be about 18,000 tons. The Dreadnaught as the battleship will be called, will mount 12 12-inch guns of the latest type, throwing three 850-pound shells every two minutes. The vessel will be driven by turbines, and will be able to steam at upwards of 20 knots an hour. She will carry no secondary armament. The elimination of the six-inch guns, borne by practically all the battle ships of the world hitherto, is one of the main lessons deduced from the long-range actions which have been fought in the far east. The essential feature of a battle ship in modern conditions, it is now realized, must be the ability to deliver stunning blows at a distance of five or six miles, and this the Dreadnaught, with her dozen great guns, will be able to do with terrible effect. No battle ship has hitherto mounted more than four of these weapons.

—Horace Lilly, manager at R. M. Wade's, was a business visitor in Alsea Thursday and Friday.

—Next Sunday's excursion to Newport runs from Detroit. The train passes Corvallis at eight o'clock. The rate is as usual.

—There was an ice cream social at McFarland chapel, Thursday evening, that attracted a large crowd and proved most enjoyable.

—Sunday services United Evangelical church, C. T. Hurd, pastor. Morning subject, "Christian Activity," evening subject, "The Rod of Moses."

—Joseph Greenberg went to Albany Thursday to visit with Master Mechanic Walsh of the C & E, the two being old college mates.

—Mr. and Mrs. William Bogue and son left Wednesday for Cascadia where they are to camp. They were accompanied by Misses Cecil and Louise Erwin.

—Presbyterian church, M. S. Bush, pastor. Worship 11 a. m. subject, "The Deceitful Way." Evening subject, "Christ's Call and Its Meaning."

—Subject for the next two Sunday evenings at the Christian church are; July 16 "Ruth and Orpha," July 25 "John the Beloved Disciple." Subject next Sunday morning, "Part second on the Greater work than Miracles." Other services as usual.

—The Boddy gasoline wood saw has been purchased by Link Chambers who will operate it hereafter, as will be seen by a notice elsewhere. Mr. Hoyt, the late owner has gone to the Hot Springs for the benefit of his health, and may later return to his former home in Iowa.

—Congregational church Sunday school and services morning and evening as usual. Morning sermon, "Kindness: Its root; its Power." Evening subject, "The Jew. What does the World owe the Jew? His return to Palestine and the condition there in our day." There will be service at Plymouth at 3 o'clock.

—A sale of the R. K. Fawcett residence property transpired Wednesday. The buyer is Mrs. Sarah Mecklin, and the price \$2,200. Two cottages are to be erected on the property at once, for rental purposes. Mr. Fawcett and family are to go to Portland in about a month, to reside. J. L. Lewis made the sale.

—Harvey Sargent has received from the East a watch that is a regular encyclopedia of useful information. Besides having the usual hour, minute and second hands, it has a hand that tells the day of the week, another that tells the month and day of the month, and another that gives the changes of the moon. If any features of the time piece have been omitted, an apology is ready for Mr. Sargent.

—It turns out that there is an interesting story in the relay race recently run at the Portland exposition, in which O. A. C. men were engaged. Greenhaw and Williams of O. A. C. and Moores and Friesel of U. of O., the latter of whom was going, he said, to beat Williams in the 100, ran the race under Multnomah colors. Greenhaw led off with a beautiful run finishing with a lead of about 30 feet, and Moores took it up for the second quarter, and lost all that Greenhaw had won but about a yard. Then came Friesel, who was so slow in comparison with the man he went against that it looked like the race was to go to Washington's team. With a yard the start Friesel ran so badly that he finished with the Washington man full 50 feet in the lead. Williams followed Friesel, and in addition to having so poor a start, he was against one of the best men in the Washington team. Of course the old O. A. C. reliable closed up the gap and finished with a good lead.

### At Bellfountain.

Born, to the wife of Henry Lamb, Sunday, July 9, a daughter.

George Clark has been quite sick the past ten days.

Charles Perin and family have returned from Gleason's Mill and will remain at home the rest of the summer.

W. S. Humphrey has purchased a new binder of the McCormick make and is very much pleased with the machine.

Prof. Mack has been suffering for the past two weeks from blood poisoning, caused from a slight scratch on the face.

There will be a very light crop of prunes this year in this section.

Mr. and Mrs. T. M. Bradley returned from Drain last Sunday, having spent a couple of weeks with their daughter at that place.

Carpenters are still at work on the Irwin house.

### At Summit.

The Fourth of July passed very pleasantly. R. R. Miller and our band boys deserve much credit for their timely assistance during the day.

Charles Scott and family, formerly of this place, are here for an outing.

A brother of John Duncan has arrived from California for a visit. The brothers have not met for 40 or 50 years, being children when they parted last. They are now aged men.

George Prickett, of Palouse City, Washington, is visiting his brother-in-law, H. Harrison.

Ed King and family, of Harris, spent the Fourth at Summit.

Every one in this vicinity is busy making hay.

**CHOLERA INFANTUM.**

Child Not Expected to Live from One  
Hour to Another, but Cured by  
Chamberlain's Colic, Cholera and  
Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey  
of Agnewville, Va., was seriously ill of  
cholera infantum last summer. "We gave  
her up and did not expect her to live from  
one hour to another," he says. "I happened  
to think of Chamberlain's Colic, Cholera  
and Diarrhoea Remedy and got a bottle of it  
from the store. In five hours I saw a change  
for the better. We kept on giving it and  
before she had taken the half of one small  
bottle she was well." This remedy is for sale  
by Graham & Wortham.
