CAPTAIN APPERSON'S TRIP.

How he Journeyed Mid Towns and Cities not Down on his Itinerary.

Captain Apperson arrived Monco, a sister of Mrs. Gene Simpson, day to be on hand for the board is a guest of Mrs. John Smith at meeting this Wednesday afternoon. He is one of the most loyal of all the loyal friends of the college and machine on the Tribune at Salt on hand when there is to be a board meeting. He is chairman of the finance committee and has been busy since arrival in checking up the accounts of the institu-

It was not so much in the fact that he came early that Captain ing from a week's visit at the Fair, Apperson avoided the rush. As it They left for their home west of was in the fact that he came a peculiar route. Coming in the or-Two car loads of fine beef cat-dinary way it is something like 80 miles from Captain Apperson's tle left Corvallis yesterday morning home near Oregon City to Corvallis for the Portland market. They As Captain Apperson traveled it in As Captain Apperson traveled it in were three and four year old steers his latest trip he journeyed over

Captain Apperson Sunday evening attempted to take the ten o'-They brought three and a fourth clock train for Corvallis. Two locomotives and two trains were puffing about on the C. & E. track at the Albany depot. The Captain boarded one of them which seemed headed for the county seat of Benkeeper for S. L. Kline, this is the ten. A brakeman soon told him of the train, which instructions, he and other passengers obeyed. On the way back the conductor met them and told them to sit down where they were, and then passed on. Of course they obeyed was the conductor.

> Meantime, the train started. Inwest toward Corvallis,

It took him a long time to find a train hand, The train had gone miles before one was finally started from cover. "Where are you taking me to,' ejaculated the well known regent. "Where are you going?" demanded the railroader. Then Captain Apperson learned Williams, July 21st, probably the what he had already surmised, that instead of being headed for Corvallis he was on board the Sunday evening excursion train bound for the heart of the Cascades.

He traveled all night. Detroit was reached after one o'clock a. m. The trip back to Albany occupied the rest of the night up to five o'clock in the morning. The Coro'clock in the morning. vallis stage left at 6:30, and the Captain was a passenger.

What makes the i ncident ununderstandable, his many Corvallis friends is that the old steamboater is a man of known temperate principles and he was, in theory at least, headed

GATHERING PRODUCTS.

Efforts to Improve Benton Exhibit at the Fair-Court Takes Action.

It is planned to better the Benton

It has been found that the only way to keep the booth properly, often made, the gathering of products, which is everybody's business becomes nobody's business, and the expected that an improved exhibit will result. It is not hoped of course for Benton to make so grand iloquent a showing as those counties, for instance, like Coos, which is spending \$30,000 on its county exhibit but it is certain however, that hereafter the Benton booth will present a creditable display.

For Sale.
