QUALITY STORE

### KEEP YOUR MONEY AT HOME

Stop and consider whether you gain anything by buying from distant firms. Remember when you send your money to a mail order house you pay for the goods in advance without seeing them and with no chance to compare the quality. You also pay freight or express and when the article is received if it does not suit you you have no redress. It would not pay to return it and the firm may not permit you to do so. If your order is damaged in transportation you lose it. When you send your money away from home you are injuring your own town. Deterioration of the town injures the value of your property. Buy goods at home and build up your own community. If we have not got what you want we will take pleasure in sending away for it. Never send money away without giving us a chance to sell you the goods. Don't ask credit of a dealer and then send away cash in advance for unknown goods simply because the price is a few cents lower. We put these things before you honestly. Think them over!

### Fall Coats, Wraps and Suits

The new arrivals in Cloaks, Jackets and Suits, embrace all the correct styles of the season. The suits are made in the extremely popular Redingote long coat style. Also Blouses and Etons. Our advance showing in Coats are the Long Coats, 50 to 64 inches. Empire coats, 42 to 44 inches. Walking Skirts in great variety, too large a stock to give a detailed description. We have them for ladies and misses in Broadcloths, Homespun, Etamines, Serges, Cheviots, etc. Cloak and Suit department upstairs, Miss Thompson in charge.

### Pres de Soie is first cousin to silk

NAME ON SELVAGE

It isn't quite a silk, but it's silky nevertheless. Has the lustre—the "feel" and the "cry" of that expensive fabric. Pres de Soie is without doubt the fulfillment of every wear promise made for a "guaranteed" taffeta and similar fabrics. Pres de Soie is so different from cloths of its class that its like a discovery in loom. Either of the two grades is pre-eminently desirable for making petticoats, slip-skirt and "showy" linings. In black and an iridescent display of soft colorings.

Butt'n, Butt'n, who's got the Butt'n?
