—R. S. Bradley, who used to live in Alsea but who is now a resident of Eastern Oregon has been in town a day or two, looking at property with a view of locating in Corvallis. The change is contingent on a possible sale of his Eastern Oregon farm.

—Reuben Sanders is understood to be a member of the Chemawa football team, which plays on OAC field Saturday afternoon. He is one of the great fullbacks of the country, and a sight to see in a football game. For a long time he held the record in putting the shot, and is an all round athlete of Coast renown. Whether he can plunge at will through the OAC line is a question that local experts are inquiring about. Some say he will; others say he won't. It all remains to be seen next Saturday.

ALUMNI SCORED.

In Opening Football Game at O. A. C.
—Old Veterans Come Back.

The football season opened at OAC Saturday with the annual Alumni game. Five hundred people were in the grandstand and on the sidelines to see Captain "Pap Hayseed" and his oldtime warriors give battle to the '05 team. The first half of the game went to the veterans with a touchdown and a score of six, but in the second half the Collegians drove the Alumni back for a couple of touchdowns and a score of 10, making the final score stand, Collegians, 10; Alumni, 6. When the veterans made their touchdown, which was the only one in the first half, the grandstand went wild, not because it loved the old men more or the new men less, but because no event of the kind was supposed to be on schedule. The incident came about both by reason of the strength of the old team and a series of lucky plays. After Dolan kicked off, Nash ran the ball in to the 30 yard line. The Alumni thereafter in half a dozen bucks had no difficulty in making yardage. Then Nash got away on a fake for 20 yards which was followed by a play in which the Vets captured the ball on their punt. The ball was still 30 yards away from the Collegians goal, but in the excitement of a mix-up, somebody dropped it, and Tharp grabbed the oval and sped away for the touchdown. Nash kicked goal. The half closed with the Collegians driving the visitors steadily down the field, but time was called before the goal line could be reached. In the second half the Collegians found no trouble in getting twice over the line and just before time was called were near enough to try for a place kick which narrowly missed being another score.

The game was a pleasant incident, perhaps, as much so for the Alumni men as for anybody else. A conspicuous feature was the tall figure of "Pap Hayseed" back to college for the first time in eight years. He is now an employe in a bank at Lexington and is doing well. He made a trip of something like 500 miles to take part in the game, and was well rewarded in the willing hands that grasped his own in many a hearty greeting. He expects to be on hand again for the game with which the season of 1906 will be opened. Another player who found the utmost of pleasure in the game was Louis Burnough, another formidable center of former days, who is now a thriving druggist at Enterprise, Oregon.

The game carries with it of course, its aftermath of how the new team showed up. The members of the team themselves declare to a man that they played ragged ball, and that their showing was very poor. Coach Steckle says their defense was satisfactory for this time in the season, but that their offense was poor. "Pap Hayseed" says they showed where the play was going by their glances after the ball, but adds that they are in his opinion the making of a cracker-jack eleven. Some of the down-town experts shook their heads unsatisfied like afterward, but are understood to be looking for something much better next Saturday, when they go against the Chemawa team on OAC field in a real football scrap.

Very pretty accompaniments to the game were a rally at the Armory and a reception and banquet afterwards in honor of the Alumni players. At the former, Prof. Cordly presided, and Dr. Withycombe, Dr. Steckle, Fred Edwards, and Student Gerhard, of the senior class made addresses. The reception was given by Alpha Hall girls, and was in all respects a delightful social affair.

The line-up in the game was as follows:

O. A. C.—Center, Cherry; tackles, Finn and Dolan; guards, Dunlap and Bundy; ends, Emily and Cooper; half backs, Root and Williams; quarter back, Rinehart; fullback, Laurence.

Alumni—Center, McAllister; tackles, Walters and Osburn; guards, Burnough and Elgin; halfbacks, Burnett and Tharp; fullback, Nash; quarterback, Edwards; ends, McBride, Steiwer and Gellatly; subs, Hall.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent. of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by Graham & Wortham.

THE LIGHT OF OTHER DAYS.

Not very many years ago alcohol was used for lighting in combination with other fluids under the name of "Camphene," but it suffered banishment because it was too dangerous. Alcohol is generally harmful when taken in the form of medicine, especially to a delicate system.

Dr. Pierce's tissue-rebuilding and function-strengthening plan of treatment is following after Nature's plan.

He uses natural remedies, that is native medicinal roots, prepared by processes wrought out by the expenditure of much time and money without the use of alcohol, and by skillful combination in the most exact proportions.

Used as one of the active ingredients of Dr. Pierce's Golden Medical Discovery, BLACK CHERRYBARK specially exerts its influence in cases of lung and bronchial troubles, and this "discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The names of the medicinal ingredients of this world-famous remedy are: Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot and Mandrake root.

"I have had such a wonderful experience with Dr. Pierce's Golden Medical Discovery that I do not hesitate to recommend it, believing it to be a wonderful medicine to build up the tissues of the system," writes Miss Bessie Brown, Secretary Emerson Literary Association, 428 Kerman Avenue, Appleton, Wis. "Worry and nervous troubles had completely run-down my health and strength; had no appetite, slept badly, and was in a state of nervous collapse. I took twelve bottles in all, and, each week, knew that I was getting better and stronger, until finally I was as well and strong as I had ever been. I have the utmost faith and confidence in your medicine, and wish to thank you for my good health, which is a blessing to anyone."

For 21 one-cent stamps to cover cost of mailing, you can get a free copy of the "Common Sense Medical Adviser," paper-covers; or cloth-bound for 31 stamps. Address Dr. R. W. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets should be used with "Golden Medical Discovery" whenever a laxative is required.

Where did spats come from? Highland soldiers wore them first. Because of the bravery of highlanders at Lucknow and elsewhere in India during the Indian mutiny the people of England looked about for some way to show their admiration. Scrutiny of the highland dress disclosed that spats were the most suitable for adoption, so they were adopted and have been commonly worn ever since.

CHOLERA INFANTUM.

Child Not Expected to Live from One
Hour to Another, but Cured by
Chamberlain's Colic, Cholera and
Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey
of Agnewville, Va., was seriously ill
of cholera infantum last summer. "We
gave her up and did not expect her to live
from one hour to another," he says. "I
happened to think of Chamberlain's Colic,
Cholera and Diarrhoea Remedy and got a
bottle of it from the store. In five hours
I saw a change for the better. We kept
giving it and before she had taken the
half of one small bottle she was well." This
remedy is for sale by Graham & Wortham.
