BEAT WASHINGTON STATE.

At Football—O. A. G. Men did by a Score of Twenty-nine to Naught.

A decisive defeat met the Washington State College men in the game on OAC field Saturday afternoon. Steckle's men operated as they have never operated before this season, and when the play ended they had a score of 29 points while the visitors had only a goose egg. Five touchdowns were made in the game, four in the first half and one in the second. It took seven and one half minutes and 53 yards of rushing the ball for the first one, four and a half minutes and 45 yards of rushing for the second, four minutes and 35 yards for the third, seven minutes and 57 yards for the fourth, and nine minutes and 110 yards for the fifth.

In all Pullman only carried the ball 40 yards while Steckle's men rushed it over 300. In the first half Washington only made yardage once, got the ball on downs but once, and forced the Oregonians to punt but once. A fifteen yard penalization when the Oregonians were on Pullman's 30 yard line and going fast and furious for a goal caused a turn in the game and the last ten minutes of struggle with the ball wavering between the two 35 yard lines, and the play was mostly a punting duel. Captain Root's punting averaged 40 yards, the sphere being booted once a sheer fifty. Of the five goals made, Cooper failed to kick but one, two of them being very difficult. During the season, of the 12 goals attempted, he has made 10, which is the best record ever made at the college.

Both teams played fast ball, and the game was spirited throughout. Better team work and the superior strength and speed of the eleven artists of Steckle's team swept the Washingtonians off their feet in the beginning, and they were not allowed to get breath until the game was won.

Interested spectators at the game were Coach S'orts of the U. of O. team, and Coach Bishop of the Willamette eleven. Eight hundred to 1,000 people were in the grandstand and along the sidelines. An excursion train brought 60 people from Independence and Monmouth, and there was a large number of visitors from Albany.

The game opened by Root booting the ball and Washington ran it in to the 35 yard line. In three downs Washington made yardage and then fumbled to Rinehart. Oregon rushed the ball back to Pullman's seven yard line where the Washingtonian rallied and held taking the ball on downs. They tried two downs and punted to Cooper who ran in 10 yards to the 40 yard line. Three yards bucked by Abe, 3 by Root, 20 yards by Williams around end, 4 by Laurence, brought the ball to the 10 yard line, from which short bucks sent Abraham over for the first touchdown.

Pullman kicked over the goal line, Root free-kicked from the 25 yard line, and Dolan downed the runner on the 45 yard line. After two downs Washington fumbled, and after a play or two Williams got away for a long run and a touchdown, but was called back for getting out of bounds. The ball was placed on Washington's 36 yard and a march was begun for the visitors goal. Root, 6 yards, Abe, 4, Williams, 5, Laurence, 4, Root, 5, Abe, 4, Dolan, 1, Abe 3, and Root went over for a touchdown.

On Root's third kickoff, the Washingtonians ran the ball in to their 35 yard line, and fumbled to Walker. Several linebacks and a 15 yard quarterback run by Rinehart sent Williams over for the third touchdown. Pullman took the next kickoff and Rinehart ran it in to the 25 yard line. A 10 yard buck by Dolan and shorter gains through the line carried the ball 20 yards when Pullman held for the second time in the game and forced Root to punt. Pullman punted back and Rinehart ran the ball in to Washington's 25 yard line from where short rushes sent Root over for the fourth touchdown. The half ended shortly afterward with the ball in the center of the field.

In the second half, Pullman kicked off and Dolan ran in the sphere to the 25 yard line. Four yards by Abe, Root, 4, Williams, 4, Rinehart 7, Laurence, 6, Abe, 4, Laurence 5, Abe 4, Dolan 4, Williams 4, Abe 2, Williams, 20, put the ball on Washington's 20 yard line, where a quarterback run failed to net required yardage and Root tried a place kick. Washington blocked it, and punted out of bounds. The ball was put on the 40 yard line from where it was rushed by the Oregonians for the final touchdown. The remainder of the half was a punting duel, with honors fairly ev-

en, both at kicking and rushing. In the latter part of the second half, McKinnon replaced Laurence at tackle, Little went in Bundy's place at guard, Rumbaugh went to right end in the place of Cooper. Emily played left end in the first half, and Griffith held down that position in the second half. The lineup was as follows:

What the Papers Say.

The company is well balanced and the roles are played with more than ordinary strength. In many weeks there has been no play at the Empire theatre which has aroused greater enthusiasm than "Honest Hearts."—Portland Journal.

This is the first season of "Honest Hearts" and its a thriller from start to finish. It's just filled to the brim with rapid action and equally rapid comedy.—Oregonian.

the affair, but Jasper says, about two weeks after the crime was committed, he and his sister were coming to town to consult an attorney about her father's business affairs and he accused Dora of killing their father. She at first denied it, and on his persisting she admitted the deed, saying she put on a pair of Jasper's hose, went to his cabin 100 yards away, took a 30-30 rifle, went home and placed the muzzle to her father's head and pulled the trigger, blowing the entire top of his head off. She hid the gun in the brush and went to bed in the same room with the body of her father and slept until 7 o'clock the next morning. Jasper asked her why she killed her father and she said she hated and despised her father and was tired of having him around.

This is the story Jasper swore to before County Clerk Creshire Tuesday, and Wednesday Sheriff Lewis and Deputy Sheriff Lister went to Jacksonville to interview Dora, but her attorney would not allow them to see her. Jasper said his sister told Blanche Roberts, his affianced, that she killed her father. When questioned the Roberts' girl said Dora told her she did it in self defense.

At the time of the inquest the Roberts girl told the prosecuting attorney she knew nothing whatever of the crime. Since making her first confession Jasper said Dora told him she killed her father in self defense. While making the confession the boy laughed and joked with the officers as though coming out of the ordinary was being told.

Dora does not seem to realize the gravity of the offense with which she is charged. She seems perfectly nappy, sings and jokes with two young men confined in the jail near her and she denies all knowledge of the crime.

Beverly, N. J., Oct. 22—A launch containing vice men, all of Philadelphia, collided with a barge in the Delaware river, off this place late this afternoon, resulting in the drowning of six of the occupants of the little boat. The other three were rescued by the crew of the tugboat Bristol, which was towing the barge when the accident happened.

The launch was hired by eight of the men, most of whom live in the northeastern part of Philadelphia. Captain John Winch was the owner of the launch. The captain took his son along to assist him in running the boat. The start home was made late in the afternoon. The day was spent near Croysden.

Opposite the place the launch met the tug Bristol, in command of Captain Mott, which was towing a barge to Bordentown, N. J. Whether Captain Winch saw the bar is not known; nevertheless he attempted to cross the tug's stern. Captain Mott hailed him and tried to prevent him from doing so.
