"What a difference in the suffering at time of childbirth when Dr. R. V. Pierce's medicines are used." writes Mrs. Edmond Jacobs, of Bakersville, Johnson Co., Ind. "I had no more of Dr. Pierce's medicines three years ago when I was confined, so had to suffer almost death. My baby was born I could not get on my feet without two persons holding me. The baby was a boy, weighing 9 1/2 pounds, and for some weeks after his birth I suffered severe pain. Last fall, following the advice of a neighbor, my husband bought me Dr. Pierce's Favorite Prescription, which I took during the winter, and in March I gave birth to a baby boy, weighing 10 1/2 lbs. I was only in labor two hours and was on my feet with- out help until thirty minutes before baby was born. He is now three months old and weighs 19 lbs. I know it was Dr. Pierce's medicine that saved me from suffering. I advise all women to take Dr. Pierce's Favorite Prescription, also his 'Pleasant Pellets,' if necessary."

Following the advice of a neighbor, what a weight of confirmatory evidence there is in those six words. The neighbor had tried the "Favorite Prescription" and recommended it. Mrs. Jacobs has also tried it and proved its wonderful properties and now she recommends it. Beside such testimony as this its maker's words are unimportant. Mrs. Jacobs' experience is a fact. Her neighbor's experience is a fact. The written experiences of 500,000 other women are facts. There is no theory about it. In every neighborhood in this broad land there are women who have been cured by the "Favorite Prescription." It has cured more cases of female complaint than all other medicines for women combined. It is the only medicine of its kind invented by a skilled specialist in medicine—a regularly graduated physician of more than forty years actual experience.

Ruth, the little daughter of E. N. Dewey of Agnewville, Va., was seriously ill with cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by Graham & Wigham.
