

UNIVERSITY WON.

Steele's Men Lost the big Football Game—Score, Six to Naught.

The annual game of football with the State University men was fought last Saturday by OAC and lost. The score was 6 to 0 in favor of the University. Two thousand people saw the contest, and cheered the warriors on as they struggled for the mastery on the sawdust arena. The grandstand with brilliant orange colors on one side and lemon on the other, and in which two bands of music and 800 supporters were gathered, presented a scene of buoyant life.

The game was the best ever played by the rival teams. There was but a single touchdown, made near the close of the first half when Moore got the ball on a fumble and rushed down the field 43 yards for a touchdown. That was the only time the University men got within striking distance of the OAC goal, never in fact being nearer than the 35 yard line. Steele's men, on the other hand carried the ball with ease the length of the field by rushes until they reached Eugene's 6 yard line, where they lost it on downs. They were able to make yardage with far greater ease and with more consistency, but were hapless enough not to make it at the required time.

The special that carried the excursion to Eugene was the biggest thing of the kind that ever happened in this country. The train, when it finally arrived there consisted of 11 coaches, all packed, aggregating more than 700 people. Five hundred and fifty went from Corvallis, and the balance from Albany. A special over the West-side brought 50 people from Independence, Monmouth and Dallas. At Corvallis the supply of railroad tickets gave out and people had to board the train without tickets. The story of the game is as follows:

Moullen kicked to Abraham who ran in the ball to the 25 yard line. Abraham bucked two yards, Williams 3, Root 5, Abe 3, Williams 2 Root 5, Williams 5, and Eugene was penalized 5. Abe went 2 and after two downs with small gains the ball went to the University on her own 50 yard line, OAC having rushed the ball 35 yards without a break.

The first two plays by Eugene yielded yardage and the next formation added 5 more. Three plays netted another yardage and then a fumble gave the ball to OAC on her 35 yard line, that line being the closest the University men carried the ball to the OAC goal, save on a fluke.

Abraham bucked 3, Williams 2, Rinehart 4, Dolan 3, Williams 3, Root 6, Abe 3, Williams 4, Dolan 2, Dolan 1, Root 2, Root 1, Abe 3. Ball went to Eugene on downs on her 35 yard line. In the first play Moore tried an end run but was thrown for a five yard loss. OAC was penalized 5 yards, and by line plunges Eugene carried the ball 15 yards to center where Moullen was forced to punt.

OAC took the ball on her own 35 yard line and Williams got away for seven yards, Abe 1, and OAC was penalized 15 yards and forced to punt. Ball went to Eugene on her 53 yard line.

Moore got away on the first play for 13 yards. Eugene made 2 yards and bucked the rest of the yardage in two downs. After a gain of 3 yards on the next formation, the University fumbled and the ball rolled to OAC's 20 yard line where Pilkington punted.

The Eugene runner was stopped on center. Moore got away for 12 yards, and two punts failed to net yardage, a place kick was attempted. It failed and Pilkington's free kick sent the ball to the center of the field. In the first play Walker stopped the runner for a loss of 4 yards. Eugene was forced to punt and the ball was stopped on OAC's 30 yard line. Pilkington punted and the runner was downed on OAC's 50 yard line. After two downs with small gains the ball was fumbled on a quarterback kick and, picking it up, Moore got away for a 43 yard run and a touchdown. Friessel kicked goal. The first half ended with an interchange of punts and with the ball in OAC's hands on the center of the field.

In the second half, Pilkington kicked off and an OAC man fell on the ball after Eugene had fumbled it on the 25 yard line. A buck and a quarterback run yielded a net loss and Pilkington punted. Eugene took the ball on her own 5 yard line, and rushed it in several plunges to her 20 yard line, where two downs showed a loss and Moullen punted. The ball rested on OAC's 30 yard line. Two rushes sent the ball to OAC's 45 yard line and Dolan added four more. Eugene was penalized 5 and Abe went 3, Williams 2, and Root 8. Dolan buck-

4. Dolan 3, and Williams reeled off 6. Dolan went 2, Williams 5, Root 2, Abe 1, Williams 2, Abe 2. Dolan 4. The ball was now on Eugene's 10 yard line and a touchdown was in sight. The next two downs yielded 3 1-2 yards leaving but 1 1-2 to go for yardage, and but 6 1-2 for a touchdown.

Rinehart blatted the signal for Abraham to go and the ball shot back from center. For some reason the formation did not form, though the quarterback stood holding the leather for somebody to take it. Everybody seemed glued to the ground long enough for the golden opportunity to slip away and that was exactly what happened. Before the play finally moved, the Eugene men were pouring in from all sides and the ball went to them on downs on their 6 yard line. Moullen punted and the ball went 44 yards back of the white line over which the Agric team was striving to pass. It might as well have been a mile, for the day was lost, though OAC supporters were still hopeful for that chance, that slip when Williams could pick up a fumbled ball or in some other way get away for the sprint across the field for a touchdown. It did not come.

Rinehart worked a quarterback run for 2 yards but the next play failed and Pilkington stepped back for a punt. He had been playing throughout the game with an arm that was practically out of commission from a bump on the shoulder, and when the ball was passed, he could not raise his arm to take it and there was a fumble. An OAC man fell on it and the ball went to Eugene. The rest of the play was a constant interchange of punts, except that Friessel tried a place kick and Cherry and Bundy broke through and blocked it. The half ended with the ball in the center of the field in the hands of the University.

New York, Nov. 11.—Under the direction of Attorney General Julius Meyer with the assistance of District Attorney Jerome, the grand jury today began an investigation of the charges of fraud in connection with the mayoralty election. Mayer visited the criminal court building early this morning and conferred with Assistant District Attorneys Sanford and Perkins, to whom Jerome has delegated the work of prosecuting the cases and drawing up the indictments.

Eight deputies of Superintendent of Elections Morgan and a number of policemen and about 50 other witnesses were called. It is said that efforts will be made to indict some district leaders.

Hearst has offered an additional reward of \$10,000, making a total of \$27,000 offered by him for the conviction of Tammany district leaders. Alderman Haggerty was arrested on complaint of a poll watcher on the charge of assault and arraigned this morning.

A subpoena was issued for John Voorhis, president of the board of elections, to appear before the grand jury and produce for their inspection the registry books of the fifth election district of the Twenty-sixth assembly district. It is charged that the face of the returns were changed. It is alleged there was much fraudulent voting in this district.

The ballot boxes, after standing for 12 hours in the streets yesterday, were received by the election board and were stored at various warehouses, where they are guarded by the police. The election board refused to receive the returns until an order was obtained from the supreme court compelling it to receive them and the action of the election board is claimed by Hearst supporters to be part of Tammany's campaign against an honest recount.

Ballot boxes that were stolen have been recovered and are in the possession of District Attorney Jerome. Information has been received that other ballot boxes were thrown in the North river, where they were picked up by a tug.

Hongkong, Nov. 11.—Advices received today from Lien Chow, the scene of the massacre of the American missionaries and the burning and looting of the mission houses a few days ago, state that the trouble that started at that time is spreading rapidly.

Villagers are arming themselves and much bloodshed is feared. If the agitation continues fears are entertained that the revolt will spread to other provinces where foreign missions are established, and the scenes that accompanied the killing of Miss Chestnut, Mr. Peale and his wife and Mrs. Dr. Machile and her 10-year-old daughter will be repeated.

The American minister is making every effort to investigate the causes leading up to the brutal outrage at Lien Chow and secure necessary evidence for presenting

San Luis Obispo, Cal., Nov. 10.

—The handsome Ramona hotel, a 300-room structure, full of Eastern tourists, was burned to the ground last night. The fire is believed to have started in the kitchen at 2 o'clock this morning.

There were 15 guests in the building, most of them tourists, but all escaped in safety with their personal effects.

The building was a modern frame structure, and though the local fire department did excellent work, it is impossible to check the spread of the flames. The loss is estimated at about \$100,000, of which \$18,000 was covered by insurance.

The hotel attracted considerable tourist travel to this city, and its destruction will be severely felt by the community.

Dayton, O., Nov. 11.—Dr. Oliver C. Haugh, accused of murdering his father, mother and brother, who were burned to death in their home last Sunday, was arraigned this morning. He pleaded not guilty and was remanded for further hearing. He is addicted to the use of drugs.

Detectives are visiting Lorain and Toledo, Ohio, Chicago and Milwaukee seeking evidence. It is expected that the officials will charge Haugh with at least nine murders. It is alleged that Haugh made earlier victims drug fiends and then slowly poisoned them. Haugh said today:

"I might have killed them when my mind was blank."

Haugh was several times an inmate of a lunatic asylum and was released only three months ago.

Pacific Grove, Cal., Nov. 11.—As the result of injuries sustained in a football game in this place last Saturday, John Mehan, a 15-year-old boy, is dying. The lad's spine is fractured and the physicians state there is no possible chance of his recovery.

Young Mehan, who is the Quartermaster-Sergeant John Mehan, of the Fifteenth Infantry, received his injuries while engaged in a practice game. Last Saturday the Fifteenth Infantry football team played a game with the second eleven of Stanford University on the gridiron at Pacific Grove. The soldiers were victorious and immediately after the match a number of high school athletes took the field for a practice game.

Meehan was playing halfback and attempted to tackle a runner of the opposing team. He was thrown violently to the ground and was picked up unconscious and taken to his home and it was ascertained that his spine had been fractured, resulting in paralysis from his waist down. Yesterday it was found that the spine had been fractured and the doctors stated that he had but a few hours to live.

New York, Nov. 10.—Ten indictments for violations of election law and two for assaults committed at the polls at the election last Tuesday were today drawn up by the grand jury.

Two ballot boxes were found today in a barber shop at 156 Third avenue, one of them full of half-soiled and torn ballots and the other empty. This barber shop was the polling place of the first election district of the Eighteenth assembly district, which is the district of which Charles F. Murphy, head of Tammany Hall, is the leader. Hearst watchers found the two boxes. Deputies from State Superintendent of Elections Morgan's office took possession of the boxes.

President John R. Voorhis, of the board of elections said that the grand jury today required him to deliver to it the registry book of the fifth election district of the Twenty-sixth assembly district. The book was given to the jury.

Mr. Hearst made public a postal card received today and signed merely "Truck Driver," which read: On Wednesday night five ballot boxes were taken from a boarding stable at 232 Front street."

The situation today was described by William R. Hearst as follows: "The law committee has discovered some very amazing things, and the deeper we go into this thing, the uglier it looks. We have evidence against 12 district leaders, and I am confident that we shall send two or three of them to prison. I am just as much interested in the criminal prosecution of this case as I am in the recount. In this case it makes no difference whether I am declared elected or not, in comparison with the greater duty of sending criminals to jail."

"It was for this purpose," Mr. Hearst added, "and to strengthen the evidence against a certain district leader that I made the offer of \$10,000 reward today for such evidence. We have at least evidence sufficient to prove the necessity of a recount, and I believe that recount will show a difference of 20,000 votes in my favor."

HELLO CENTRAL!

GIVE ME 203.

HODES' GROCERY?

Yes Ma'am

This is Mrs.

Please

send by the first delivery

- 2 packages Plymouth Rock Geli ine
- 1 bottle Burnette Vanilla Extract
- 1 quart Manzinetto Olives for 25 cts
- 1 jar pickled Lamb Tongue
- 1 pound Saratoga Chips
- 1 gallon fresh Cider
- 1 pound Full Cream Cheese
- 1 quart Sauer Krant
- 1 package Zest
- 1 pound New Dates
- 2 pounds New Figs

WE DO NOT OFTEN CHANGE

Our ad., but our goods change hands every day. Your money exchanged for Value and Quality is the idea.

Big Line, Fresh Groceries

CHOLERA INFANTUM.

Child Not Expected to Live from One Hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Deane of Agnewville, Va., was seriously ill with cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by Graham & Wortham.
