Pittsburg, Nov. 18.—Fred Fleck, an old locomotive engineer of the Pennsylvania road, says he has received a letter from Andrew Carnegie inclosing a check for \$1000 to pay for a luncheon years ago when he was running with the engineer. Mr. Carnegie, it appears, was ravenously hungry, and dined on the contents of Fleck's dinner pail. He has now paid for that meal. "That's damned white of Andy," said Engineer Fleck.

THE STORK BRINGS JOY

To the household but how about the mother? Has she been joyful during the weeks and

months preceding the advent? Two many mothers find a time of fearful anxiety because of the knowledge that they are "not in good health." They have allowed weaknesses, pains and drains to accumulate till the health is completely undermined and they are "more than discouraged," and all because they have been misadvised by well-meaning friends and maltreated by an inefficient doctor. To all such here is the news that there is a remedy that will heal and not hurt. It was discovered forty years ago by Dr. Pierce who searched Nature's laboratory—the earth, for the remedial agents so liberally provided therein. He took Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root, Golden Seal root, and by extracting, combining and preserving, without the use of alcohol, the glyceric extracts of these natural remedies he has given to the world Dr. Pierce's Favorite Prescription, which has to its credit the enviable and unparalleled record of more than a half-million of cures in the last forty years. Only those who have given Dr. Pierce's Favorite Prescription a trial can appreciate what a boon it is to suffering women. "For two years I suffered intensely from female weakness until life was a burden to me. I had distressing, bearing-down pains, flashes, was very dependent, weak and utterly wretched. My physician gave me treatments but without success. I tried several remedies but obtained no relief until I began to take Dr. Pierce's Favorite Prescription. I began immediately to improve, and in four months' time I was as well and strong as ever." Constipation cured by Doctor Pierce's Pleasant Pellets.

A Habit to Be Encouraged. The mother who has acquired the habit of keeping on hand a bottle of Chamberlain's Cough Remedy, saves herself a great amount of uneasiness and anxiety. Coughs, colds and croup, to which children are susceptible, are quickly cured by its use. It counteracts any tendency of a cold to result in pneumonia, and if given as soon as the first symptoms of croup appear, it will prevent the attack. This remedy contains nothing injurious and mothers give it to little ones with a feeling of perfect security. Sold by Graham & Wortham.

"I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by Graham & Wortham.
