

Corvallis Times

Official Paper of Benton County.

CORVALLIS, OREGON,
FRIDAY EVENING MAR. 23, 1906.

MR. BOURNE.

Jonathan Bourne is advertising for votes in Benton county. He wants to be United States senator. It will be but a very slim support that he will corral among Benton republicans. Their recollection of Mr. Bourne is that he was the chief conspirator in concocting a very expensive hold-up legislature, seven or eight years ago. Because he could not get a majority of the representatives to support him for speaker of the lower house, he formed a combination to prevent organization of that body. Allied with influences hostile to Mitchell, who was then a candidate for senator, he prevented the organization of the house, and through forty long days there was the humiliating spectacle at Salem of a senate in session at legislative horse-play with members of the lower house in hopeless and disgraceful disorganization. It was the most disgraceful episode in the history of the state, because revolutionary in principle and anarchistic in execution. It was a proceeding wholly indefensible and completely unpardonable. In the premises, Mr. Bourne was more guilty than the rest, because by reason of his money and his brains, more powerful. He will get small comfort from Benton republicans, who are themselves orderly, and therefore entirely unwilling to honor a man who has been as disorderly, as has Mr. Bourne. In this race for senator his public record ought to be, and is, his undoing.

By their refusal to sign Jonathan's petition, it is evident that Benton republicans do not favor politics on the harem plan.

CORVALLIS WATER BONDS

WALLA WALLA water bonds are offered for sale in Corvallis. They bear five per cent. interest, the same as the Corvallis water bonds. The Corvallis bond can be refunded at any time after 10 years, and for it a bond be substituted bearing a lower interest rate if the market be favorable, and this feature makes a less attractive security to foreign bond buyers. The fact, however, that it sold on the same terms in the market with the Walla Walla bonds is complimentary to Corvallis. Especially is this true, in view of the fact that Walla Walla has 22,000 inhabitants, and Corvallis less than 3,000, Walla Walla, four and a half million taxable property with an actual value of \$15,000,000, against three-quarters of a million of taxable property in Corvallis. Walla Walla's bank deposits are more than \$5,000,000.

Common Colds are the Cause of Many Serious Diseases.

Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dangerous ailments would never be heard of. Everyone knows that pneumonia and consumption originate from a cold, and chronic catarrh, bronchitis, and all throat and lung trouble are aggravated and rendered more serious by each fresh attack. Do not risk your life or take chances when you have a cold. Chamberlain's Cough Remedy will cure it before these diseases develop. This remedy contains no opium, morphine or other harmful drug, and has thirty years of reputation back of it, gained by its cures under every condition. For sale by Graham & Wortham.

WARDE TO COME.

Famous Actor to Appear in Corvallis—His Date Is April 13th.

Frederick Warde, the well-known Shakesperian scholar and actor, is to come to Corvallis. As all know, he stands very high in the realm of Shakesperian expression and interpretation, having a reputation that line that extends from ocean to ocean. His coming gives to Corvallis an opportunity that they rarely have, to-wit: that of seeing in their own town, theatrical attractions of the very first-class. On all such occasions in the past, they have demonstrated their appreciation by attendance and patronage. The biggest houses that have ever been seen in the Opera house were drawn thither by attractions of the higher class. The town's mental standard as well as its standard of taste has always been shown to be higher than many Oregon towns of double the population.

Frederick Warde will be an attraction that all will plan to see. His date is Friday evening, April 13th. The play to be given has not been announced. The venture in bringing Mr. Warde is made by E. E. Wilson and B. W. Johnson, to whom the public will be indebted for the privilege of seeing the famous actor in his favorite roles.

CHOLERA INFANTUM.

Child Not Expected to Live from One Hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by Graham & Wortham.
