### NEWS OF CORVALLIS AND VICINITY TOLD IN BRIEF.

The Comings and Goings of People  
Social Gossip, Personal Men-  
tion and Other Items of  
Public Interest.

—Mrs. Mason returned Sunday evening from a visit to her son Chester at Salem.

—Mrs. Floyd Williams arrived Saturday evening from Baker City and is visiting Corvallis friends.

—Mrs. F. A. Helm left Monday for a visit with friends at Jack-onville, Oregon.

—E. S. Hornaday, formerly of this city, but now a resident of Nashville, has accepted a position as manager of a lumber yard at Moro, Eastern Oregon, and has gone there to enter upon his duties.

—Dr. Lowe the well known eye specialist will be at Hotel Corvallis, Thursday and Friday of this week, April the 5 and 6. Have him test your eyes for glasses.

—Dr. Lowe does not go from house to house. Eyes cannot be fitted correctly to glasses that way. Consult him Thursday and Friday of this week at Hotel Corvallis.

—Charles W. Adams returned Saturday night from Portland where he has been for eleven weeks taking treatment at the Good Samaritan hospital.

—Lieutenant and Mrs. D. P. Quinlan accompanied by their little niece left on Saturday evening's train for Hollywood, California.

—Mrs. H. V. Gates of Hillsboro arrived Saturday evening for a visit at the John Smith home. Mrs. Gates is enroute home from a California trip.

—Mrs. John Smith gave an afternoon tea Saturday. Her guests were: Mesdames W. A. Wells, Lewis Wilson, G. R. Farra, M. E. Lee, E. Taylor, A. L. Knisely, Rose Selling, E. R. Bryson, Charles Lee, I. M. Glenn, of Eugene, and Miss Juliet Cooper.

The "Theory and Design of a gas Engine" is the subject of the thesis of A. L. Bradley, one of the seniors at the college who graduates in June. Two others, Albert Tedrow and Floyd Rowland, have for thesis the actual construction of such an engine. They are at work on it now, and expect to have it completed, ready for use in about a month.

—Prof. Raymond begins this week a new term of dancing lessons. Last term he had upwards of 65 pupils and the indications are for an equally large class this term. In addition to the usual pupils, instruction will be given to a kindergarten class, ranging in age from 6 to 12 years of age. Terms can be had on application.

—The County board of road viewers, consisting of W. D. Barclay, John Harris and Surveyor Jones, viewed a proposed road on Ingram Island last week. The forming of a gravel bar in the river caused the removal of the ferry site to a spot half a mile below, and rendered approach from the existing road impossible. The plan is to construct a road to connect, and it is understood that, after viewing, the board made a favorable report.

—The new football rules have been agreed to, and the principal change is that 10 yards instead of five must be made in three downs. Failure to gain yardage will result, the critics think, in more punting and a more open game. The effect will be to make punters in demand and incidentally to cause them to be a very much greater factor in the game. There are to be more officials, and severer penalties for unnecessary roughness. The changes are designed to remove the features to which so much objection has been raised.

—Dr. E. J. Thompson has resigned his pastorate of the Presbyterian church at Independence, and the statement is that, on account of his health, he will retire from regular work in the pulpit, preaching only at such times as his energies will permit. His relations with the Independence congregation were most amicable, 90 accessions having been made to the church during his five years' pastorate. He is to make his home at Independence. He is 75 years old and has been in the Presbyterian ministry for 35 years. Before that he was 18 years professor of Mathematics in the University of Minnesota. He preached in Salem, Oregon, from 1883 to 1886, in Corvallis from 1886 to 1901 and in Independence from 1901 to the present time. His church at Independence is out of debt and has a membership of 125. In his time, Dr. Thompson has united 1,283 couples in marriage.

## COSTLY APPLES.

Selling now in Corvallis at About Three Dollars a Bushel.

Corvallisites are paying two and a half cents apiece for apples now and are smacking their lips over the fruit. The apples go at the same price as lemons, bananas and some oranges, which is a startling condition considering that the Willamette valley ought to be the world's apple orchard. They cost the consumer about \$3 a box, and at these swell prices many boxes have been sold.

The apples the town is now buying are not even grown in Willamette at all, but are imported from Hood River, and they cost \$2.50 a box in Portland, \$2.65 per box laid down in Corvallis. They are of various varieties, including Yellow Newtown Pippin and Ben Davis.

In a college hill orchard last season, by spraying, 98 per cent of the apple crop was redeemed from Codling moth. With apples now selling at \$3.00 per box or 30 cents per dozen, what an appeal the condition is to farmers to clean up the old orchards and bring them into bearing healthy, wholesome fruit.

## MUST SIGN.

Or Life-Long Republicans will Bolt—What a Polk County Newspaper Says.

There is one proposition with reference to Statement Number 1 that cannot be dodged or escaped, and that is, that candidates who don't sign will lose the support of many a voter who wants direct vote for United States senators. Republicans down in Polk county are going to scratch the legislature candidate who doesn't sign, and they are going to do it in Benton, if any of them have the temerity not to sign. The Independence Westside Enterprise is authority for the statement as to the conditions in Polk, and it is public comment as to the situation in Benton. In its last issue the Westside Enterprise, Walter Lyon's paper, says:

"The Westside Enterprise speaks a truth and sounds a warning in time that safety for any republican candidate lies in his signing the pledge to observe the wish of the people as expressed at the polls in the election of United States senator. Numbers of life-long republicans in Polk county have expressed the determination to support no candidate, regardless of politics, who does not agree to support the people's choice for United States senator. They have taken part in placing the present law on the statute books. This paper is on good terms with all the candidates and has no preference personally and it asks them for the party's sake, to be considerate of the feelings of the rank and file in the matter of the election of United States senators."

## Paying Honest Debts.

A minister at the conclusion of one of his sermons said: "Let those in the house who are paying their honest debts stand up."

Every man, woman and child, with one exception stood up.

After seating them, the minister said, "Now, every man not paying his debts stand up."

The exception noted, a careworn, hungry-looking individual, clad in his last summer's suit slowly arose to his feet.

"How is it, my friend," asked the minister, "that you are the only man who does not meet his obligations?"

"I run a newspaper," he meekly answered, "and the brethren who stood up are my subscribers, and—"

"Let us pray," exclaimed the minister.

## EAT WHAT YOU LIKE.

Don't Starve or Diet, but Use Mi-o-na, and Cure Your Stomach Troubles.

The average treatment of stomach troubles consists of a rigid diet list, which often starves the patient. Of course it would be foolish for any one who knows that some foods are positively harmful and poisonous to continue eating them, even while following the Mi-o-na treatment, but in ordinary cases of stomach troubles it is not necessary to starve or diet if Mi-o-na is faithfully used, a tablet before each meal.

This scientific remedy, for the cure of stomach troubles, acts upon the whole digestive system, and strengthens the organs so that they are able to digest any food that is eaten without fear of distress. If you suffer from loss of appetite, belching of gases, sour taste in the mouth, furred tongue, severe pains in the region of the stomach, depression of spirits, bad dreams, lack of energy, a stomach cough, offensive breath, headaches, back aches, loss of strength and weight, you can be assured that these troubles are all due to imperfect digestion.

Strengthen the stomach by taking a Mi-o-na tablet before each meal, and soon you will gain in weight, strength will return, and your food will give nourishment so that the rich red blood will carry good health to every part of the system.

Graham & Wells have so much confidence in the power of Mi-o-na to cure stomach troubles and resulting ills, that they give a guarantee with every 50 cent box to refund the money unless it cures.

Whereas, the secretary of state of the state of Oregon, has notified me in writing that pursuant to the provisions of an act entitled "An Act making effective the initiative and referendum provisions of Section 1 of Article IV of the Constitution of the state of Oregon, and regulating elections thereunder, and providing penalties for violations of provisions of this act" approved February 24, 1903, the Oregon State Grange duly filed in this office on February 30, 1906, an initiative petition containing 7,648 signatures properly attached to a copy of said measure, certified in accordance with law, demanding that a proposed law, the title, tenor and effect of which is hereinafter particularly set forth, shall be submitted to the legal voters of the state of Oregon for their approval or rejection at the general election to be held in said state on the 4th day of June, being the first Monday in June, 1906.

Now, therefore, I, George E. Chamberlain, governor of the state of Oregon, in obedience to the provisions of said act hereinafter first mentioned, do hereby make and issue this proclamation to the people of the state of Oregon, announcing that the said Oregon Grange has filed said initiative petition with the requisite number of signatures thereto attached demanding that there shall be submitted to the legal voters of the state of Oregon for their approval or rejection at the regular election to be held on the 4th day of June, 1906, said day being the first Monday in said month, a bill to propose by initiative petition a law to provide additional revenue for state purposes; to levy a license on the gross earnings of Sleeping car companies, Refrigerator car companies and Oil companies; defining a Sleeping car company, a Refrigerator car company and an Oil company within the meaning of this act; defining the manner of ascertaining the amount of such gross receipts, providing a penalty for violating the provisions of this act; the tenor and effect of which in brief is:

First. To require every Sleeping car company, Refrigerator car company and Oil company to pay in addition to taxes now provided for by law, a license of three per centum upon the gross earnings of such companies, annually, to the treasurer of the state.

Second. To particularly define each of said companies included within the terms of said act.

Third. To provide the manner of ascertaining the amount of such gross receipts by requiring the proper officers of such companies, as particularly mentioned in said bill, to transmit to the state treasurer on or before the 1st day of March of each year a statement under oath of the gross receipts of such companies from business transacted within the state during the preceding year ending December 31st, and giving in such statement information as to the name of the firm, company, business or corporation; the nature of the business transacted by it; the location of its principal office and under what laws it is organized, and whom, if any one, it represents, and in certain cases provided by the bill whose wares it handles; the name, address and place of residence of the proprietor, chief officer or managing agent of the business or company in the state of Oregon; a detailed statement of the real estate owned by the firm or company in the state of Oregon, where situated and the value thereof as assessed for taxation.

Fourth. To provide for the payment of ten per centum additional to said license fees in case of a failure to make the statement or to pay the license required to be made or paid by the terms of said act, and to provide the method of collection thereof.

Fifth. To provide that if any officer of any company or corporation or other person mentioned in said bill shall fail, refuse or neglect to make and file the annual statement therein required to be made for thirty days after the 1st day of March in each year, on conviction thereof he shall be punished by a fine of not less than \$500.00 nor more than \$1,000.00 or by imprisonment in the county jail not less than thirty days nor more than six months, or by both fine and imprisonment in the discretion of the court, and making it the duty of the district attorney of the proper judicial district to commence and prosecute for violations of said bill in any court of competent jurisdiction an action at law to enforce said penalty.

Always Keeps Chamberlain's Cough Remedy in His House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the croupy cough appears, which can only be done when the remedy is kept at hand.
