**Foods of That Far-off Land Served at O. A. C.—How it Happened.**

A interesting meeting of the Hindoo-American Association was held Monday night in the Administration building. Rev. Bush started the program with a talk on how to study India. He also spoke of the political conditions in India as they are today.

Prof. Taillandier gave a very interesting lecture on the origin of music in different countries and especially the relation of our music to India's, and of our probable indebtedness to India for our stringed musical instruments.

M. C. Sinha gave readings in both English and Sanskrit, from the great epic poem of India, entitled, "Ramayan." He also told the interesting and romantic story about which the poem is woven and gave one an insight into the teachings of the religious poems of India.

The most interesting part of the program came last. It was the discussion about and partaking of a number of Hindoo dishes as prepared by the Hindoo cook, Munshi Ram. The great national dish Poas came first and was followed by others, some of which were, Hewa, Anda, Rabrhi, Dal, Salona, and Pakoitha.

Everyone enjoyed the evening and are looking forward with pleasure to the next monthly meeting.

**IMPORTANT TO CORVALLIS.**

**Profit by This and Find Safeguard Against Many Ills.**

Nothing is more important to Corvallis than the good health of her people. How can they fill their place in this busy town unless they are well?

No one trouble is responsible for more nervous ills, sleeplessness, general debility, weakness, back-aches, rheumatic pains, even ill-temper and peevishness, than indigestion.

Fortunately a combination of remedies, called Mi-o-na stomach tablets, has been discovered that absolutely cures indigestion and restores to health and strength the whole digestive system. The use of Mi-o-na is a safeguard against many ills; it acts directly upon the gastric glands, restores perfect action to the digestive organs, aids the assimilation of food, and so strengthens the whole digestive system that you can eat anything at any time without fear of indigestion.

Just one little tablet out of a 50 cent box of Mi-o-na before meals for a few days, and you will soon regain perfect health and strength, and be able to eat anything digestible without fear of stomach difficulties.

So reliable is Mi-o-na in curing all forms of stomach weakness and troubles that Graham & Wells give a signed guarantee that the remedy will cost nothing unless it cures. Mi-o-na sells for 50 cents and is invaluable to any one who suffers with indigestion, nervousness or weak stomach.

**A Trite Saying.**

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each-day a pure, rich, red blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people suffer from, is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin and the feelings "blue." Dr. Pierce's "Discovery" cures all blood humors as well as being a tonic that makes one vigorous, strong and forceful. It is the only medicine put up for sale through druggists for like purposes that contains neither alcohol nor harmful habit-forming drugs, and the only one, every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and will be sent to any address free, on receipt of request therefor, by letter or postal card, addressed to Dr. R. V. Pierce, Buffalo, N. Y. It tells just what Dr. Pierce's medicines are made of. The "Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, by leaders in all the several schools of medical practice, and recommending them for the cure of the diseases for which the "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of the so-called "testimonials" so conspicuously flaunted before the public by those who are afraid to let the ingredients of which their medicines are composed be known. Bear in mind that the "Golden Medical Discovery" has cured hundreds of thousands of cases of the public in a full list of its ingredients.

Dr. Pierce's Pleasant Pellets cure constipation, invigorate the liver and regulate stomach and bowels.  
Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound, for 51 stamps. Address Dr. Pierce as above.

Third. To provide the manner of ascertaining the amount of gross receipts by requiring the proper officers of such companies, as particularly mentioned in said bill, to transmit to the state treasurer on or before the 1st day of March of each year a statement under oath of the gross receipts of such companies from business transacted within the state during the preceding year ending December 31st, and giving in such statement information as to the name of the firm, company, business or corporation; the nature of the business transacted by it; the location of its principal office and under what law it is organized; and whom, if any one, it represents; and in certain cases provided by the bill whose wares it handles; the name, address and place of residence of the proprietor, chief officer or managing agent of the business or company in the state of Oregon; a detailed statement of the real estate owned by the firm or company in the state of Oregon, where situated and the value thereof as assessed for taxation.
