In Memory of Mrs John Day.

High place to the soul of the dead,
From the dream of the world she
has gone,
On the star in her glory to tread,
To be bright in the blaze of the
throne.

In youth she was lovely; and Time,
When he rose with the cypress
he twined,
Left the heart all the warmth of its
prime,
Left her eye all the light of her
mind.

The summons came forth—and she
died!

Yet her parting was gentle, for
those
Whom she loved mingled tears at
her side,
Her death was the mourner's
repose.

Our weakness may weep o'er her
bier,
But her spirit has gone on the
wing

To triumph for agony here,
To rejoice in the joy of its King.

FACTS IN NATURE.

Not Only Do We Get Inspiration From Nature, But Health as Well.

For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, listlessness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic or lingering ailments. This concentrated extract of Nature's vitality he named "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. Its ingredients printed in plain English on wrapper.

The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery."

Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. One a laxative; two or three are cathartic.

IMPORTANT TO CORVALLIS.

Profit by This and Find Safeguard Against My Ills.

Nothing is more important to Corvallis than the good health of her people. How can they fill their place in this busy town unless they are well?

No one trouble is responsible for more nervous ill, sleeplessness, general debility, weakness, back-aches, rheumatic pains, even ill-temper and peevishness, than indigestion.

Fortunately a combination of remedies, called Mi-o-na stomach tablets, has been discovered that absolutely cures indigestion and restores to health and strength the whole digestive system. The use of Mi-o-na is a safeguard against many ills; it acts directly upon the gastric glands, restores perfect action to the digestive organs, aids the assimilation of food, and so strengthens the whole digestive system that you can eat anything at any time without fear of indigestion.

Just one little tablet out of a 50 cent box of Mi-o-na before meals for a few days, and you will soon regain perfect health and strength, and be able to eat anything digestible without fear of stomach difficulties.

So reliable is Mi-o-na in curing all forms of stomach weakness and troubles that Graham & Wells give a signed guarantee that the remedy will cost nothing if it cures. Mi-o-na sells for 50 cents and is invaluable to all one who suffers with indigestion, nervousness or weak stomach.

Proclamation.

Whereas, the secretary of state of the state of Oregon, has notified me in writing that pursuant to the provisions of an act entitled "An Act making effective the initiative and referendum provisions of Section 1 of Article IV of the Constitution of the state of Oregon, and regulating elections thereunder, and providing penalties for violations of provisions of this act," approved February 24, 1903, the Oregon State Grange duly filed in this office on February 23, 1906, an initiative petition containing 7,648 signatures properly attached to a copy of said measure, certified in accordance with law, demanding that a proposed law, the title, tenor and effect of which is hereinafter particularly set forth, shall be submitted to the legal voters of the state of Oregon, for their approval or rejection at the general election to be held in said state on the 4th day of June, being the first Monday in June, 1906.

Now, therefore, I, George E. Chamberlain, governor of the state of Oregon, in obedience to the provisions of said act hereinbefore first mentioned, do hereby make and issue this proclamation to the people of the state of Oregon, announcing that the said Oregon Grange has filed said initiative petition with the requisite number of signatures thereto attached demanding that there shall be submitted to the legal voters of the state of Oregon for their approval or rejection at the regular election to be held on the 4th day of June, 1906, said day being the first Monday in said month, a bill to propose by initiative petition a bill entitled "A bill to propose by initiative petition a law to provide additional revenue for state purposes; to levy a license on the gross earnings of Sleeping car companies, Refrigerator car companies and Oil companies; defining a Sleeping car company, a Refrigerator car company and an Oil company within the meaning of this act; defining the manner of ascertaining the amount of such gross receipts, providing penalty for violating the provisions of this act;" the tenor and effect of which is brief as follows:

First. To require every Sleeping car company, Refrigerator car company and Oil company to pay in addition to taxes now provided for by law, a license of three per centum upon the gross earnings of such companies, annually, to the treasurer of the state.

Second. To particularly define each of said companies, included within the terms of said act.

Third. To provide the manner of ascertaining the amount of such gross receipts by requiring the proper officers of such companies, as particularly mentioned in said bill, to transmit to the state treasurer on or before the 1st day of March of each year a statement under oath of the gross receipts of such companies from business transacted within the state during the preceding year ending December 31st, and giving in such statement information as to the name of the firm, company, business or corporation; the nature of the business transacted by it; the location of its principal office and under what laws it is organized; and whom, if any one, it represents; and in certain cases provided by the bill whose wares it handles; the name, address and place of residence of the proprietor, chief officer or managing agent of the business or company in the state of Oregon; a detailed statement of the real estate owned by the firm or company in the state of Oregon, where situated and the value thereof as assessed for taxation.

Fourth. To provide for the payment of ten per centum additional to said license fees in case of a failure to make the statement or to pay the license required to be made or paid by the terms of said act, and to provide the method of collection thereof.

Fifth. To provide that if any officer of any company or corporation or other person mentioned in said bill shall fail, refuse or neglect to make and file the annual statement therein required to be made for thirty days after the 1st day of March in each year, on conviction thereof he shall be punished by a fine of not less than \$500.00 nor more than \$1,000, or by imprisonment in the county jail not less than thirty days nor more than six months, or by both fine and imprisonment in the discretion of the court, and making it the duty of the district attorney of the proper judicial district to commence and prosecute for violations of said bill in any court of competent jurisdiction an action at law to enforce said penalty.

Always Keeps Chamberlain's Cough Remedy in His House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by Graham & Wortham.
