

LOCAL LORE.

NEWS OF CORVALLIS AND VICINITY TOLD IN BRIEF.

The Comings and Goings of People Social Gossip, Personal Mention and Other Items of Public Interest.

—Mrs. M. P. Burnett and little son left Saturday for an extended visit with her mother in Baker City.

—Mrs. George Paul arrived Sunday for a visit with relatives.

—Logan Hays and wife and G. L. Paul were among the Portland excursionists in town for a few hours Sunday.

—Mr. and Mrs. Charles Kohu and daughter, arrived Friday evening for a short visit with relatives.

—A license to wed was issued Friday last to Frank Follett and Laura C. Johnson.

—Joseph Emrick, of Portland, has been a Corvallis visitor since Sunday.

—A suit for divorce was filed Thursday by Daisy Stevens against J. E. Stevens. The couple were married in Nebraska in 1893. Cruel and inhuman treatment is the cause assigned.

—First boy—My papa knows more than your papa does. Second boy—I bet he doesn't. Did you ever see my papa? His forehead reaches way back of his head.

—"Papa" was becoming impatient at the lateness of the hour when he remarked, "I can't see why that young fellow who is calling on Minnie hasn't sense enough to go home. It's near midnight." "The dear little brother" of the family just then came in heard his father's remark, and ventured some light: "He can't go, father. Sister's sitting on him."

—The annual Senior excursion to Newport occurred Saturday. In spite of threatening weather an unusually large crowd made the trip. Albany and Philomath were well represented and quite a number of people drove from Monmouth to Corvallis to join the excursionists. In all, between 500 and 600 persons made the trip. The O. A. C. Cadet regiment band furnished music. At the beach a few persons went in surf bathing but the majority spent the time strolling along the shore, visiting points of interest and in gathering great bunches of beautiful rhododendrons.

—A large crowd attended the ice cream social at Simpson's chapel Friday evening, and the report is that the occasion was very pleasant. An excellent program was rendered, that included a reading by Mrs. E. H. Belknap, vocal solos by E. H. Belknap, Mr. McCloskey and W. C. Belknap, a mandolin solo by Mr. McCloskey recitations by Miss Floy Hawley, Miss Kyle, Miss Bennett and two children, besides which the Bellmountain band furnished music. About 12 gallons of ice cream were sold during the evening.

—Mr. Christian Schocher and Miss Rose Bandi were married in Corvallis Thursday evening at the residence of A. Leder, Rev. C. J. Beyerlein of the German Lutheran church, performing the ceremony. The groom is a well known farmer of Blodgett and the bride had arrived from Switzerland the day previous to the ceremony. Mr. Schocher has resided in Benton county about twenty years. Two years ago he visited Switzerland, his native land, and at that time the betrothal occurred.

—Monday morning a man occupied a chair in Spencer's barber shop. His head was bowed in his hands. At brief intervals he uttered stifled groans that were surely laden with human misery, and now and again the gentleman shuddered from evident agony. Compassion filled the hearts of everyone who entered the barber shop, but the situation was such that none essayed to make inquiry as to the troubled man's identity nor to the cause of his anguish. Everybody deemed it best to leave him with his sorrow or whatever might ail him, until the pangs of torment should in a measure run their course. And, too, there was a sacredness about the man's attitude which forbade intrusion. Still, the situation became more and more intense until a gentleman mysteriously motioned Spencer through the rear door and in a low, hushed tone inquired the trouble. In a like manner Spencer stated that the sufferer was Dr. Blank and further said, (the words seeming to cling to his trembling lips) "he's got a boil on his nose."

A JUST COMPLAINT.

Which Gives Rise to Some Comment.

Residents of the north-west suburbs of the city complain that a great deal of rubbish is carted from town and dumped in the highways of their neighborhood. S. H. Moore is making dire threats against the practice. Perhaps he may not go to the extremes to which he would be justifiable in going, but it is safe to say that people who make a dumping ground of the roads passing his place, would better desist.

It is unfortunate that everybody can not have their yards cleaned up, their trash hauled away, and in fact have everything done for them at some other person's expense, but such arrangement has not yet been fully completed. Still, many people do the next best thing and carry their refuse into the street or county road to become an eye sore to the public. Corvallis has a legal and common dumping ground and town residents should have their rubbish hauled to that place even if they have to pay carriage. All citizens are obligated to society. This involves a duty, and such duty should be performed even at some inconvenience and expense. Anyway, don't try to bury your neighbor nor the public, with your backyard rubbish. When you dump a lot of trash into a low place in the street, don't for a moment think, nor suppose anybody else will think that you are benefitting the highway. Lots of things that we want cost money, and we can as well afford to pay for decency as for anything else. So if we have to pay for having our filth hauled away to the proper place, let us do so cheerfully.

Prof. and Mrs. Fulkerson have been retained as teachers in the public school for another year.

Woman's Trials.

The bitter trail in a woman's life is to be childless. Who can tell how hard the struggle may have been ere she learnt to resign herself to her lonely lot? The absence of this link to bind marital life together, the absence of this one pledge to mutual affection is a common disappointment. Many unfortunate couples become estranged thereby. Even if they do not drift apart, one may read the whole extent of their disappointment in the eyes of such a childless couple when they rest on the children of others. To them the largest family does not seem too numerous.

In many cases of barrenness or childlessness the obstacle to child-bearing is easily removed by the cure of weakness on the part of the woman. Dr. Pierce's Favorite Prescription has been the means of restoring health and fruitfulness to many a barren woman, to the great joy of the household. In other, but rare cases, the obstruction to the bearing of children has been found to be of a surgical character, but easily removable by painless operative treatment at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., over which Dr. Pierce of the "Favorite Prescription" fame presides. In all cases where children are desired and are absent an effort should be made to find out the real cause, since it is generally so easily removed by proper treatment.

In all the various weaknesses, displacements, prolapsus, inflammation and debilitating, catarrhal drains and in all cases of nervousness and debility, Dr. Pierce's Favorite Prescription is the most efficient remedy that can possibly be used. It has to its credit hundreds of thousands of cures—more in fact than any other remedy put up for sale through druggists, especially for woman's use. The ingredients of which the "Favorite Prescription" is composed have received the most positive endorsement from the leading medical writers on *Materia Medica* of all the several schools of practice. All the ingredients are printed in plain English on the wrapper enclosing the bottle, so that any woman making use of this famous medicine may know exactly what she is taking. Dr. Pierce takes his patients into his full confidence, which he can afford to do as the formula after which the "Favorite Prescription" is made will bear the most careful examination.

Dr. Pierce's Pleasant Pellets are the best and safest laxative for women.

IMPORTANT TO CORVALLIS.

Nothing is more important to Corvallis than the good health of her people. How can they fill their place in this busy town unless they are well?

No one trouble is responsible for more nervous ills, sleeplessness, general debility, weakness, back-aches, rheumatic pains, even ill-temper and peevishness, than indigestion.

Fortunately a combination of remedies, called Mi-o-na stomach tablets, has been discovered that absolutely cures indigestion and restores to health and strength the whole digestive system. The use of Mi-o-na is a safeguard against many ills; it acts directly upon the gastric glands, restores perfect action to the digestive organs, aids the assimilation of food, and so strengthens the whole digestive system that you can eat anything at any time without fear of indigestion.

Just one little tablet out of a 50 cent box of Mi-o-na before meals for a few days, and you will soon regain perfect health and strength, and be able to eat anything digestible without fear of stomach difficulties.

So reliable is Mi-o-na in curing all forms of stomach weakness and troubles that Graham & Wells give a signed guarantee that the remedy will cost nothing unless it cures. Mi-o-na sells for 50 cents and is invaluable to any one who suffers with indigestion, nervousness or weak stomach.

Profit by This and Find Safeguard Against Many Ills.
