A SUCCESS IN IDAHO.

What Supreme Justice Sullivan says of Woman Suffrage.

I most earnestly endorse the principle of "government by the consent of the governed." In Idaho a constitutional amendment was adopted in 1896, at the general election that year, granting to women the equal right of suffrage with the men of our state. Since the adoption of that amendment I have carefully observed the workings of woman suffrage in this state, and am fully convinced that it has been conducive to the betterment of the social and political conditions of the people of this state. The women of Idaho take an interest in the political affairs of the town, city, county and state, and their influence therein has elevated the political standard much in advance of what it was ten years ago. At our general elections a very large percentage of the women vote, and woman suffrage is now favored by a large majority of the electors of our state. I most earnestly endorse it, and sincerely hope that the good men of Oregon will endorse that principle at your coming state election by an overwhelming majority. Yours for woman suffrage, ISAAC M. SULLIVAN, Justice of the Supreme Court, Boise, Idaho, April 1906.

IMPORTANT TO CORVALLIS.

Profit by This and Find Safeguard Against Many Ills.

Nothing is more important to Corvallis than the good health of her people. How can they fill their place in this busy town unless they are well?

No one trouble is responsible for more nervousness, sleeplessness, general debility, weakness, back-ache, rheumatic pains, even ill-temper and peevishness, than indigestion.

Fortunately a combination of remedies, called Mi-o-na stomach tablets, has been discovered that absolutely cures indigestion and restores to health and strength the whole digestive system. The use of Mi-o-na is a safeguard against many ills; it acts directly upon the gastric glands, restores perfect action to the digestive organs, aids the assimilation of food, and so strengthens the whole digestive system that you can eat anything at any time without fear of indigestion.

Just one little tablet out of a 50 cent box of Mi-o-na before meals for a few days, and you will soon regain perfect health and strength, and be able to eat anything digestible without fear of stomach difficulties.

Reliable is Mi-o-na in curing all forms of stomach weakness and troubles. It is a Graham & Wells give a signed guarantee that the remedy will cost nothing unless it cures. Mi-o-na sells for 50 cents and is invaluable to any one who suffers with indigestion, nervousness or weak stomach.
