NEWS OF CORVALLIS AND VICINITY TOLD IN BRIEF.

Mrs. James Berry and child went to Salem yesterday morning. Millinery at cost for the next 30 days at Barclay & Barclay.

Frank Hurt arrived yesterday from Seattle, and is seeking employment.

Henry Rees, of Bandon, who has been visiting William Rees, Mr. Lee Henkle and other Benton relatives, is to leave for home Tuesday.

The Corvallis & Eastern Railroad Company is to run a mid-week excursion to Newport and return next Wednesday. The fare will be, adult \$1.50; children, \$1. Will run on regular Sunday schedule.

Chittim is three cents. Only a few small lots have been delivered this season. The story is that very few are peeling, and that the volume of bark delivered this year will be very small. September is the month in which the principal deliveries are made.

At Wednesday's meeting of the O. A. C. board only seven of the 13 members were present. The absentees were Secretary of State Dunbar, Superintendent Ackerman, W. W. Cotton, Senator Pierce and Regent J. D. Owell. Among those who were present were Governor Chamberlain, Master of the State Grange Buxton, and State Grange Lecturer, Mrs. Waldo.

Sam T. Thurston, who has been in Arizona for the winter, passed through Eugene a few days ago on his way to Portland, to enter a sanitarium for treatment for tuberculosis. Sam has been a sufferer from this trouble for quite a while, and is scarcely able to be about. He was met at Albany by his brother Guy, who assisted him in the charge of cars.—Eugene Guard.

L. B. B. Lewis, A. M., of Pullman, has been chosen by the board of regents as an assistant professor in English in the Agricultural College for the ensuing year. Professor B. Lewis is a classical graduate, having spent the seven years of his postgraduate in the State Normal College of Anglet, Ind., Hartsville University, at Hartsville, Ind., and the College of Puhonath. He occupied the chair of Latin and Greek in Hartsville University in the year of 1896-7, being president of the school in the spring term. He was president of Edwards College at Albion, Washington from 1899-1903, being one of the founders of the institution. In 1903 he took charge of the College of Philonath and served as president of the institution two years, having charge of English and History. He comes to the college well recommended and with years of service in college work.

The State college students and faculty are to have the benefit of mountain water. At Wednesday's meeting of the board of regents, Judge McFadden, P. Avery, M. S. Woodcock, F. L. Miller and S. L. Klion, representing the Water Board appeared during the proceedings and offered terms on which the city system would deliver water at the college. The terms were: A flat rate of 20 cents per 1,000 gallons; a graduated meter rate of 25 cents per 1,000 gal. for 25,000 to 50,000 gallons per month, 20 cents per 1,000 gallons for 50,000 to 100,000 gallons per month, 15 cents per 1,000 gallons for 100,000 gallons or more per month. The board accepted the 100,000 gallon proposition at 15 cents, authorizing President Weatherford and Secretary Daly to contract for a supply for one year with the privilege of five years at the same rate. The estimate is that the college will use from 300,000 to 600,000 gallons per month. The college is to supply its own meters and make connections at its own expense as to pipe laying and other accessories.

CASTORIA. The Kind You Have Always Bought Bears the Signature of Chat. H. Peterson

Common Colds are the Cause of Many Serious Diseases. Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dangerous ailments would never be heard of. Everyone knows that pneumonia and consumption originate from a cold, and chronic catarrh, bronchitis, and all throat and lung trouble are aggravated and rendered more serious by each fresh attack. Do not risk your life or take chances when you have a cold. Chamberlain's Cough Remedy will cure it before these diseases develop. This remedy contains no opium, morphine or other harmful drug, and has thirty years of reputation back of it, gained by its cures under every condition. For sale by Graham & Wortham.

PROCLAMATION.

WHEREAS, an Act passed by the Legislative Assembly of the State of Oregon, entitled "An act to appropriate money for the payment of expenses of the maintenance, repairs, improvements, equipment and blind schools, university, agricultural college and normal schools, and other current expense of the state, and declaring an emergency;" filed in the office of the Secretary of State February 22, 1906, was thereafter by petition duly filed with the Secretary of State, referred to the people of the State of Oregon to be voted upon at the general election held on the 4th day of June, 1906, and

WHEREAS, on the 25th day of June, 1906, the Secretary of State in my presence as Governor of the State of Oregon did canvass the votes given for and against the approval of said law, and

WHEREAS, it was ascertained upon said canvass that 43,913 votes were cast for approval of said law, and 26,752 were cast against the approval thereof, and that there was an affirmative majority of the votes cast at said election in favor of said law

NOW, THEREFORE, I, George E. Chamberlain, as Governor of the State of Oregon, in obedience to Section 9 of an Act entitled "An act making effective the initiative and referendum petitions of Section 1 of Article IV of the Constitution of the State of Oregon, and regulating elections thereunder and providing penalties for violations of the provisions of this act," approved February 24, 1903; do hereby make and issue this proclamation to the people of the State of Oregon, and do announce and declare the votes cast for and against the approval of said act hereinbefore referred to be as hereinbefore stated, and that said law duly received for its approval an affirmative majority of the total number of votes cast thereon and entitled to be counted under the provisions of law and that said law shall be and is in full force and effect as the law of the State of Oregon from the date of this proclamation.

Done at the Capitol at Salem this 25th day of June A. D. 1906. GEO. E. CHAMBERLAIN, Governor of Oregon.

By the Governor: I. F. DUNBAR, Secretary of State.

PROCLAMATION.

WHEREAS, there was submitted to the electors of the State at the last election as required by the law an initiative petition proposing an amendment to Sections 1 and 2 of Article XVII of the Constitution of the State of Oregon, to be designated as Section 1 of said Article XVII, providing a method of amending the Constitution and applying the referendum to all laws affecting constitutional conventions and amendments, and

WHEREAS, on the 25th day of June, 1906, the Secretary of State in my presence as Governor of the State of Oregon did canvass the votes given for and against said proposed amendment to the Constitution, and

WHEREAS, it was ascertained and determined upon such canvass that there were 47,051 votes cast therefor, and 18,751 votes against the same, and that said proposed amendment received an affirmative majority of the total number of effective votes cast thereon and entitled to be counted under the provisions of the law.

NOW, THEREFORE, I, George E. Chamberlain, as Governor of the State of Oregon, in obedience to and by virtue of the power and authority vested in me by law, do hereby make and issue this proclamation to the people of the State of Oregon, and do announce and declare that the whole number of votes cast in the State of Oregon at said election for and against said proposed amendment was as hereinbefore stated, and that said proposed amendment received an affirmative majority of the total number of votes cast thereon and entitled to be counted under the provisions of the law, and that said amendment hereinbefore mentioned shall be and is in full force and effect as a part of the Constitution of the State of Oregon from the date of this proclamation.

his arrest by a trusted prisoner, who has been detailed as an extra watchman on the tier where Thaw's cell is located. One purpose of the surveillance is said to be to catch as much as possible of what is said at his talks with visitors. It is not known who set the watch.

One report concerning the watch set upon Thaw was to the effect that the supposed "trusty" is an expert alienist, who has been admitted to the prison by direction of District Attorney Jerome.

MUST MOVE FIELD.

After Next Year—Athletic Grounds Absorbed by new Woman's Building.

The new Woman's building to be built at the State college is of much concern to athletic people at the institution. They have a fine athletic field on which they have spent \$1,200 or \$1,500 of their own means obtained by a tax on students. Graduate Manager Bert Pilkington is about completing an expensive system of improvements, preparatory to the coming football season, and to accommodate the big High School meet to be held next year, in which High school track teams from Pendleton, La Grande, Baker City and many other Eastern and Western Oregon cities will compete for prizes. The new building is to occupy the eminence on which the Hogg house stands, and will be so located that the fence of the athletic field will be almost at the front door. The complete removal of the athletic field to another spot, after it has been used for this fall and next spring's season will be necessary. The grand stand, the high board fence and other appliances will have to go. The boys are worried over the question of how they are to recoup the expenditures they have already made on the present field, which they originally supposed was their permanent grounds.

One Dollar Saved Represents Ten Dollars Earned. The average man does not save to exceed ten per cent. of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars.
