### ELECTIONS

#### RESULTS OF SOME OF THE ELECTIONS HELD IN MA- NY OF THE STATES.

McCarren's Fight on Hearst Fails  
to Carry the City of Brooklyn  
Republicans Control Leg-  
islature—State Demo-  
cratic Except Gov-  
ernor.

New York, Nov. 7.—The latest corrected returns show that C. E. Hughes was elected governor by a plurality of 60,284 over W. R. Hearst yesterday. Hearst ran behind his ticket in Greater New York and in many up-state counties. At noon today the indications were that Stuyvesant Chauler, the democratic nominee for lieutenant-governor, and the rest of the democratic ticket may have been elected. Chauler has a plurality in Greater New York of 135,000, which breaks all records in this city for a lieutenant-governor. Other democratic nominees ran ahead of Chauler in this city. Late incoming returns from up state on the remainder of the ticket show fluctuations.

On the face of the present returns Hughes came down to Harlem river with a lead over Hearst of a little more than 130,000. While this was sufficient to give him a lead of considerably more than 55,000 over Hearst, Hughes' associates have to meet a far greater plurality rolled up in New York City by the remainder of the democratic state ticket.

Figures at hand show that John S. Whalen, democratic candidate for secretary of state, may come through a winner by the closest margin.

Hearst apparently carried only two counties in the State outside Greater New York. These were Chemung and Schoharie.

Kings county, of which Patrick H. McCarren is Democratic leader, last year gave Hearst for mayor a large plurality, but in the vote for governor, McCarren exerted all his forces to return Hughes a plurality in his county.

While Hearst succeeded in carrying Kings county by a plurality of 4,563, the returns of the remainder of the state ticket show that his troubles with McCarren cost him dear. The plurality in the county of the democratic candidates who were not affected by McCarren's order, exceeded that of the head of the ticket by more than 30,000. Had Hearst received these votes it would have cut Hughes' lead in the state practically in half.

Denver, Col., Nov. 7.—Chief Justice Gabbert was reelected with the other republicans, though greatly scratched. Simon Guggenheim will probably succeed T. M. Patterson in the United States senate. Democrats are crying fraud and probably an investigation will follow.

Republicans claim 10,000 plurality on the entire ticket.  
The most surprising feature of the election is the comparatively small vote returned for Lindsey and Haywood, respectively independent and socialist candidates for governor. From all sources it was predicted that they would cut deeply into the vote of both the old party candidates.

Des Moines, Iowa, Nov. 7.—The result of the election is still in doubt. The Des Moines Capital, the anti-Cummins organ, says that Porter, democrat, is elected by 12,000 plurality. The democrats claim that Porter will carry the state by 25,000.

St. Paul, Minn., Nov. 7.—Governor Johnson, democrat, was reelected governor by 60,000, the greatest majority ever given a gubernatorial candidate. The state is normally 40,000 republican. All the rest of ticket is republican.

The returns on the legislature, are meager, but indicate that the republican majority will be greatly reduced.

Cheyenne, Wyo., Nov. 7.—Sixty-one precincts out of 361 give Gov. Brooks, republican, a plurality of 1,357.

Austin, Tex., Nov. 7.—The total vote cast did not exceed 400,000 votes, some 135,000 of which represent the combined vote of the republicans, the reorganized republicans, the socialists, the socialist labor and the prohibition party. The

balance represents the democratic vote. The next legislature will be democratic overwhelmingly. All the democratic congressmen were elected by good majorities.

Lincoln, Neb., Nov. 7.—The World-Herald, democratic, concedes the election of Sheldon for governor by 10,000 plurality over Shallenberger, democrat.

Milwaukee, Nov. 7.—The republican state ticket, headed by Governor James C. Davidson, swept the state in today's election by an estimated plurality of at least 40,000.

Wilmington, Del., Nov. 7.—The republicans have carried Delaware and elected Burton for congress over Marvel, democrat.

Fargo, N. D., Nov. 7.—Scattered returns indicate that Fisk has been elected judge of the supreme court over Cnauff, the republican nominee. "We concede the defeat of Governor Scharles by Mr. Burks, his democratic opponent, by a plurality of 10,000," said Chairman L. B. Hanna, of the republican state central committee, this evening.

Nashville, Tenn., Nov. 7.—Reports from all over the state indicate a large falling off in the republican vote and that the majority for Patterson, democrat, for governor will approximate 30,000.

Wheeling, W. Va., Nov. 7.—The complete returns from the different counties in West Virginia are coming in tonight and are increasing the size of the republican victory. The total majority of the state is about 18,000.

Phoenix, Ariz., Nov. 7.—Maricopa county, with three small districts to hear from, gives in favor of statehood 392, against it 2965. The legislature is strongly democratic.

Richmond, Va., Nov. 7.—Today's additional returns confirm last night's reports. The democrats carried all the districts except the ninth, in which Stamp, republican, is reelected by a reduced majority.

Topeka, Kan., Nov. 7.—At midnight the reelection of E. W. Hoch, republican, as governor, seems certain, although the democratic committee still claims the state for William A. Harris by a plurality of 3,300.

According to figures received by the republican committee, 97 counties out of 105 give Hoch a plurality of 4150. The democrats claim that their figures on the same counties give Harris a plurality of nearly 2000 and that the official returns will give him over 3000.

Marion county, Hoch's home, was carried by Harris by a majority of 139 votes, while Douglas county, Harris' home, was carried by Hoch by a majority of 130. The democrats make big gains in

### FOUND GUILTY

JURY FINDS SLAYER OF MRS. WILSON GUILTY OF MURDER IN FIRST DEGREE.

Attorneys for Defense Says There Will Be No Appeal—Murderer Wholly Resigned to His Fate—Other News.

Portland, Nov. 8.—Oregonian: After being out less than half an hour, the jury in the case of Henry Hose, accused of the murder of Madge Doyl, returned a verdict at 4:53 yesterday afternoon, finding the defendant guilty of murder in the first degree. There was no recommendation for mercy, hence Judge Gantenbein, before whom the defendant was tried, will have to fix the death penalty. Waldemar Ston, who defended Hose, declared last night that he thought there would be no appeal, and, if such to be the case, the murderer will expire his terrible crime on the gallows in almost record time, as he appears indifferent to his fate, and has neither nor friends to prosecute his further defense.

The defendant took the stand in his own behalf yesterday morning, and practically corroborated what he had already outlined in his confession to the district attorney soon after the commission of the deed. He made no attempt whatever to justify his act, and, in fact, there was no apparent for any excuse save the narrow hole of jealousy. It was evident that his counsel had instructed him to make a clean breast of the whole thing on the witness stand, and then trust to the lawyer's appeal to the sympathy of the jury to save his neck. There was no possible chance for him to escape punishment, and his defense resolved itself into a desperate for life.

## Royal Baking Powder Absolutely Pure

Made from Pure Grape Cream of Tartar

In baking powder Royal is the standard, the powder of highest reputation; found by the United States Government tests of greatest strength and purity.

It renders the food more healthful and palatable and is most economical in practical use.

Housekeepers are sometimes importuned to buy alum powders because they are "cheap." Yet some of the cheapest made powders are sold to consumers at the highest price.

Housekeepers should stop and think. Is it not better to buy the Royal and take no chances—the powder whose goodness and honesty are never questioned?

Is it economy to spoil your digestion by an alum-phosphate or other adulterated powder to save a few pennies?
