

303 Sid Synder Drive,
Long Beach, WA
360-642-4020
www.worldkitemuseum.com

A great destination for fun for all! Experience the history and art of kites through video and interactive elements. Make your own kite and fly it here on the world's longest beach! Visit today!

Featuring:

- Bold heroes and story characters on kites from Japan
- Delicately painted Chinese silk kites
- Kites that saved lives in WWII
- Videos of various Asian kite fighting celebrations

Visit Our Museum Store for:

- Kites for flying on the beach
- Books about kite making, flying & history
- Postcards, T-shirts, jewelry & posters

Admission Includes Kite Making!

Open Daily, 11am to 5pm April to September
Open Friday - Tuesday 11am to 5pm October - March

AHAB OUTDOOR WARNING SYSTEM

During a routine **TEST** of the system, the siren will play the Westminster Chimes followed by a voice message. Upon issuance of a **Tsunami Warning** the siren will play a wail sound and a voice message will follow advising a tsunami warning has been issued.

The AHAB outdoor warning system is tested on the first Monday of every month at noon.
