The mission of The Nature Conservancy is to conserve the lands and waters on which all life depends. Since our founding in 1951, The Nature Conservancy has protected more than 117 million acres of land and 5,000 miles of rivers worldwide - and we operate more than 100 marine conservation projects globally. We have more than 1 million members and dedicated staff working in all 50 United States and more than 30 countries around the world - we are everywhere you want to be!

The Field Forester plans, manages and implements active forest management operations on the Conservancy's Ellsworth Creek Preserve and adjacent partner lands to restore mature-old forest structure and function at a landscape scale. Working in a temperate coniferous rainforest environment, the Field Forester is responsible for day-to-day management of the forest to meet ambitious conservation objectives while also delivering other economic and community benefits.

Desired Skills & Experience  
Bachelor's degree and 3 years' experience in forest management or equivalent combination of education and experience.
