

70 HELP WANTED

The Nature Conservancy

Protecting nature. Preserving life.

Field Forester, Willapa Bay Region- Astoria, Oregon

The mission of The Nature Conservancy is to conserve the lands and waters on which all life depends. Since our founding in 1951, The Nature Conservancy has protected more than 117 million acres of land and 5,000 miles of rivers worldwide - and we operate more than 100 marine conservation projects globally. We have more than 1 million members and dedicated staff working in all 50 United States and more than 30 countries around the world - we are everywhere you want to be!

The Field Forester plans, manages and implements active forest management operations on the Conservancy's Ellsworth Creek Preserve and adjacent partner lands to restore mature-old forest structure and function at a landscape scale. Working in a temperate coniferous rainforest environment, the Field Forester is responsible for day-to-day management of the forest to meet ambitious conservation objectives while also delivering other economic and community benefits.

Desired Skills & Experience
Bachelor's degree and 3 years' experience in forest management or equivalent combination of education and experience.

For more information and to apply, please visit www.washingtonnature.org/careers and search for job ID# 42712 in the keyword search. Deadline to apply is 4/8/2015. The Nature Conservancy is an Equal Opportunity Employer.

NOTICE: Oregon Landscape Contractors Law (ORS 671) requires all businesses that advertise landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number assures the business has a bond, insurance and an associated individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call (503)378-5909 or use our web site: www.lcb.state.or.us to check license status before contracting with the business. Persons doing landscape maintenance do not require a LCB license.

Oregon state law requires anyone who contracts for construction work to be licensed with the Construction Contractors Board. An active license means the contractor is bonded and insured. Verify the contractor's CCB license through the CCB Consumer Website www.hirelicensedcontractors.com

CITY OF SEASIDE
NOTICE OF PUBLIC HEARING
CITY COUNCIL

On Monday, April 27, 2015, at 7:00 PM, a public hearing will be held by the Seaside City Council at Seaside City Hall, 989 Broadway, to take testimony and render a decision on a proposed ordinance to renew the Downtown Maintenance District, at a linear foot rate of \$8.843150 per front foot for one year. The rate is not increasing over last year.

A joint effort of City Council, City Staff, and a Committee consisting of downtown merchants established the current program for maintenance of the downtown core area.

Funds generated by this District pays the contractor for litter removal and sweeping the sidewalks, and a separate contract for maintaining the planting areas, including replacement plants.

A copy of the proposed ordinance will be available for review at City Hall.

All interested persons are invited to attend the meeting and submit oral testimony in favor of or in opposition to the proposal.

Written testimony is also welcome but should be submitted by 5:00 PM, Wednesday, April 22, 2015, to be included with the information sent to the City Council. Written testimony received after this date will be submitted to the City Council at the time of the hearing.
