Reporter Make a splash in business journalism by joining the reporting staff of the ambitious Coast River Business Journal, located where the Columbia River and Pacific Ocean meet. This is a highly dynamic and story-filled place, where Portlanders and Seattleites come to make their dreams of coastal living come true. You should arrive here with polished writing skills, a strong work ethic and robust curiosity to delve into the professional lives of some of the Pacific Northwest's most creative and imaginative business people.

Healthcare is one of our region's rapidly expanding economic sectors and we want to hear your ideas about how to cover it in ways that are useful to those in the caring professions, as well as engaging for the community members they serve.

We have a rising tide of young and second-career entrepreneurs starting new craft breweries, restaurants, retail stores, galleries and online businesses. You will need to be as engaged and creative as they are. Our traditional industries - tourism to forestry, seafood to homes sales/construction, farming of everything from organic vegetables to legal marijuana - all are wide awake and gaining renewed momentum in a fast-expanding regional economy. We'll expect you to dig well beyond the superficial and explain where these industries are going, and why.

We offer a competitive wage, a generous benefit package, and a warm and friendly office environment in Mac-based buildings.
