Reporter
Make a splash in business journalism by joining the reporting staff of the
ambitious Coast River Business Journal, located where the Columbia River
and Pacific Ocean meet. This is a highly dynamic and story-filled place,
where Portlanders and Seattleites come to make their dreams of coastal
living come true. You should arrive here with polished writing skills, a strong
work ethic and robust curiosity to delve into the professional lives of some of
the Pacific Northwest's most creative and imaginative business people.
Working in partnership with colleagues at the Chinook Observer, The Daily
Astorian, Seaside Signal and Cannon Beach Gazette, Coast River Business
Journal produces a monthly print publication. With your geographical beat
spanning Clatsop County, Ore., and Pacific County, Wash., you can choose
to live on the Long Beach Peninsula, Astoria or Oregon's North Coast.
While this position is managed from Long Beach, you will also sometimes
work from our Astoria and Seaside offices. An important aspect of this job is
providing business coverage to several publications, each with a different
environment. There will be aspects of breaking business news, in-depth
business reporting and "main street" business news. Part of your job will be
to continue ramping up our online content for timely and expansive
coverage of business news.
Healthcare is one of our region's rapidly expanding economic sectors and we
want to hear your ideas about how to cover it in ways that are useful to
those in the caring professions, as well as engaging for the community
members they serve.
We have a rising tide of young and second-career entrepreneurs starting new
craft breweries, restaurants, retail stores, galleries and online businesses.
You will need to be as engaged and creative as they are.
Our traditional industries — tourism to forestry, seafood to homes
sales/construction, farming of everything from organic vegetables to legal
marijuana — all are wide awake and gaining renewed momentum in a fast-
expanding regional economy. We'll expect you to dig well beyond the
superficial and explain where these industries are going, and why.
Our coast is comfortable and still affordable. It's a place where our reporters
and their families purchase homes and settle in for careers that are richly
connected to the Northwest interior. Part of your job will be exploring and
explaining the growing ties between our coast and the cities of Puget Sound
and northwest Oregon.
We offer a competitive wage, a generous benefit package, and a warm and
friendly office environment in Mac-based buildings. We work hard but have
fun — the ocean beach is a short stroll from our Long Beach and Seaside
offices. We enjoy world-class restaurants, fantastic salmon and deep-sea
fishing, amazing wildlife and bird watching, and many other outdoor
activities. Portland is two and a half hours; Seattle three hours.
