Quick & Easy Boys play Waikiki Beach

ILWACO, Wash. — Portland-based psychedelic rock/melodic-pop outfit The Quick & Easy Boys continue to celebrate the release of their fourth full-length album, "Follow Us Overboard" — which sounds like "The Beach Boys meets The BeeGees meets The Flaming Lips," according to the band — by hitting the road and touring in support of the album.

take along a chair or blanket and listen to the band with the Pacific Ocean as a backdrop.

Comprised of vocalist/bassist Sean Badders, guitarist/vocalist Jimmy Russell, and newcomer Casey Anthony on drums, The Quick & Easy Boys will get you shaking

your hips and moving your feet with their new album, all courtesy of Los Lobos keyboardist/horn player and producer Steve Berlin. Berlin recorded the album at Modest Mouse mastermind Isaac Brock's private studio, where Modest Mouse has been recording their next record for the past two years; The Quick & Easy Boys were the first outside band to record there.

The result is a record that Russell says is different than the band's last albums in many ways.

Inspired by Oregon Coast, award-winning author launches third book

Melissa Eskue Ousley releases 'The Sower Comes'

SEASIDE — Award-winning Oregon Coast author Melissa Eskue Ousley will launch the final book in her young adult series, The Solas Beir Trilogy, this July, kicking off a regional book tour.

She will read from the final book, "The Sower Comes," at 1 p.m. Saturday, July 11, at a book launch party at Beach Books, located at 616 Broadway. For every book sold during the first week of its release — July 11 to 18 — the author will donate \$1 to Clatsop Community College for student scholarships (up to \$500) to assist students with financial needs.

The fantasy adventure of The Solas Beir Trilogy began with "Sign of the Throne," released in 2013. Haunted by dreams that come true, Abby's world was turned upside-down when she met David, the doppelgänger of the mysterious young man in her dreams. After discovering that he was the lost heir to the throne of Cai Terenmare, Abby and David battled blood-thirsty monsters in a race to claim his birthright.

a crown can be. David had no clue about the sacrifices he would be forced to make. Now, battling a tyrant intent on stealing his throne, and facing a new evil threatening to rip the realm apart, saving his world may cost David everything.

The ancient forests and rocky coasts of Cai Terenmare were inspired by the Oregon Coast, a tribute to Eskue Ousley's beloved Oregon.

"Imagine an ivory castle perched on the south headland

of Cape Falcon, overlooking Short Sand Beach in Oswald West State Park, and you'll have an idea of what David's world looks like," said Eskue Ousley, a former educator. "Then add in mythological creatures, some of them with a nasty bite."

Eskue Ousley's debut novel, "Sign of the Throne," was a No.1 Amazon Best Seller and won a 2014 Eric Hoffer Book Award and a 2014 Readers' Favorite International Book Award. Her second book in the series, "The Rabbit and the Raven," released in 2014, received strong praise from reviewers and has also been nominated for several awards.

Published by Seattle-area based Castle Garden Publications, the young adult imprint of Gazebo Gardens Publishing, the series is available wherever books are sold. More information about the trilogy can be found on the author's website, MelissaEskueOusley.com
