THE NORTH COAST'S BUSINESS GUIDE • 2015

CHARTING THE NEWCOMERS AND BUSINESS PIONEERS OF OUR REGION

This is one of our most popular publications. Who's Who is a window on the businesses and non-profits that fuel our local economy.

People and history are the foundation of Who's Who. Our numeric designations indicate how long a business has been incorporated. The pictures show who's behind the enterprise.

This year's cover stories are the array of persons honored at the March business awards dinner in Seaside.

We also are recognizing Kevin Leahy, the leader of Clatsop Economic Development Resource and Clatsop Community College's Small Business Development Center. Leahy won the Small Business Administration Excellence and Innovation Award – as the best center of 19 in Oregon.
