ENGLUND MARINE & INDUSTRIAL SUPPLY

(503) 325-4341 Astoria Port Docks

Englund Marine Supply Co. was founded by Axel R. Englund in July 1944 as a retail and wholesale marine supply store. On July 22 of this year, Englund Marine will have served the general public, the fishing industry and industrial-related industries for 71 years.

Englund Marine, which started as a small marine store on the waterfront at the foot of 15th St. in Astoria, has grown to a chain of seven stores with an experienced crew of 83.

Additional stores: Ilwaco, Wash., opened 1966; Westport, Wash., opened 1975; Charleston, OR, opened 1979; Crescent City, Calif., opened 1981; Newport, OR opened 1988; and Eureka, Calif opened 1995.

In 2001, Englund Marine expanded its product line by purchasing longtime, local Fisher Brothers Industrial Supply. We now offer a complete line of marine and industrial supplies

Our Column. Our Community. Our Time to Support This Treasure.

For almost 90 years, the Astoria Column has stood tall and proud atop Coxcomb Hill, as a symbol of westward expansion, grit, hard work and determination. In the midst of a much-needed restoration, we want to thank the City of Astoria, the Parks Department, and the many volunteers, visitors, and community members who have contributed over the years to the care and maintenance of this local gem and national landmark.

The Friends of Astoria Column is a non-profit organization dedicated to preservation, stewardship, and public awareness of the Astoria Column.
