Holly McHone Jewelers has been building fine jewelry since 1988. We've been located in Astoria, Oregon since 2004. Holly McHone is a Designer/ Goldsmith with a Bachelor of Fine Arts degree. She spends much of her time fulfilling the dreams of her customers with original designs. We specialize in Diamonds and Holly travels twice a year to Antwerp, Belgium to buy diamonds for the store. She also is a personal shopper for our customers who crave the best Diamond value for their money.

Kevin McHone, a 23 year veteran of Intel, brought technology to the jewelry business. In 2005 we added Computer Aided Design and Manufacture (CAD/ CAM) and a laser welder. In 2006 we added a 4 axis engraving machine and in 2014 we added 3D printing. Our goal is to say, 'Yes! We can do that' no matter what the job might be. With the help of the internet, we have created custom pieces of jewelry for people all over the United States, Canada and England!

We are a family owned and operated business with 5 terrific employees, and we are known for offering quality custom designs at a competitive price.

In 1996, Denele began teaching dance to three students in a small garage Seaside. The popularity of her classes grew rapidly and Encore Dance Studio was established. In 2009, Denele opened a second studio in Warrenton. Encore Dance Studio offers 70 classes per week in two locations and home to an Performing Arts Preschool, an innovative learning experience that also prepares children academically and socially for entering school. Encore's diverse and talented instructors make for an outstanding experience for children and adults of all ages. This fall we embark on our 20th Anniversary Celebration season!

Denele began her dancing career at the tiny age of 2½. She grew up training with Portland's best, Lynn Johnson-Wiltshire, Sally Mack, Vicki Mills, and Debbie Pierce. She was professionally educated and trained in Tap, Jazz, Ballet, Pointe, Hawaiian, Gymnastics, and Ballroom Dancing. Denele continues to participate in dance seminars and conventions bringing fresh perspectives to dance education.

From the age of 8, Denele began competitive ballroom dancing and competed all over the Northwest and Canada. Her ballet training and desire to be on stage, landed her a role with Ballet West for their performances of the Nutcracker at the Keller Auditorium.

Enjoying her time as Head Coach of the award winning Seaside Sapphire's dance team (2012-13); Denele founded the cheerleading program at Seaside High School in 2009 and volunteered as the coach until 2013. Denele also produced the Miss Clatsop County Program and was the Contestant Choreographer for the Miss Oregon programs from 1996 to 2007.

"It is with gratitude, everyday, that I get to do what I love and share a talent that makes me and so many others smile. I look forward to dancing with the students and teachers at Encore for many more years to come." Thank you!
