Michael Long, Owner of A Coastal Lock-n-Key, has proudly been serving Clatsop County's locksmithing needs for the past 17 years. Moved here in 1980, Mike's a "local" boy that graduated from Astoria High School and then served in the United States Navy. My in-home daycare business had been in operation for 14 years. Last year a new opportunity came my way, to open new daycare and preschool in the former city building behind Coast Hardware in Seaside. Now fully remodeled, we accept 6 week olds to 12 year olds, offer speciality preschool programs, and we are licensed for infants and special needs children. In one year things have changed and they have changed a lot! We are fully staffed and are always adding children to our waiting list. We have 2 playgrounds that total in over 3300 sq ft. of outdoor space and 3500 sq ft of indoor classroom space. Give us a call if we can help with your daycare needs.
