**GEARHART
IRONWERKS**

Beach Books

John with Gearhart Ironwerks has his shop and showroom, located in Gearhart, Oregon. It is a fully functional metalworking and blacksmithing shop with artisans working daily. His preference is to concentrate on the quality of individual pieces rather than production. As his furniture is made to order, rarely do we duplicate a piece. Each piece is unique and hand made and unlike many things today, they are meant to last a lifetime.

Karen at Beach Books has a beautiful, unique book store in the heart of Seaside's Historic Downtown Gilbert District. She offers a great selection of fiction, non-fiction children's literature, home, garden cooking, local authors, greeting cards, and journals. Join in for her Events in the Loft where you can meet the authors.

Thank you for considering Gearhart Ironwerks and Beach Book and shopping local.

Nadia's
 EXCLUSIVE SALON & SKIN CARE

Nadia Fontana

I was born in Moscow, Russia, and have always been fascinated by health and the human body. I wanted to help others feel and look better from a very young age. I gave my first foot treatment when I was 9 to my grandmother. I will never forget the feeling after relieving my grandmother's pain from her foot condition.

I graduated from Paul Mitchell the School in 2005, and expanded my services by continuing my education in Portland in 2013. I am an exclusive retailer for Dr. Spiller's Skin Care from Germany, and use them in my practice.

The products are Biomimetic and Organic, and will fit for every budget. Nadia's Exclusive Salon and Skin Care offers a Photo facial service and Skin tightening procedure using (IPL) Intense Pulsed Light, Permanent hair removal (reduction), Microdermabrasion and most advanced skin treatments. Nadia's Exclusive Salon and Skin Care provides pedicures, manicures, hair services and more, and is located on the beautiful Columbia River.
