Patricia Fagerland began her business in July of 2013. She named it Forsythēa after a childhood memory forged by many years "playing in the garden" with her favorite neighbor, Erik. The Gallery/Gift shop celebrates nature-inspired artisan home & garden décor as well as a great selection of traditional toys, hand puppets and marionettes.

Charlie's Chowder House & Tiki Lounge

The idea of Charlie's Chowder House & Tiki Lounge all started inside of the Godfather's Books & Espresso. Owner Charlie Holboke started offering chowder at the bookstore that the locals loved.

Charlie had a dream of a full-size restaurant and bar, which became a reality for him at 1335 Marine Drive in Astoria. Stop by Charlie's Chowder House & Tiki Lounge for a great bowl of chowder in a tropical atmosphere, and a drink from the Tiki bar!

BOGH ELECTRIC

Tony Bogh, a born and raised Astorian, started working in the electrical trade in June of 1988 for local contractors. He started Bogh Electric in October of 2009. After a few years of working off of his dining room table, he became busy enough to hire employees. Tony gives a significant amount of credit to his wife of 26 years, Jamie Bogh, who is not only the co-owner of their company, but is also very supportive of her husband's growing business.

To stay busy on the coast, Tony believes you need to be versatile and have nothing less than a team of all-stars, and speaks very highly of his employees. My team has the ability to perform all electrical services from low to high voltage, commercial and residential, and vintage to new build projects. "You're only as good as the people you surround yourself with, and I am very blessed to have the team I have here." Bogh Electric also installs LED lighting, and is a trade ally through Pacific Power for lighting Retro-fits.

One member of Bogh Electric, Jared Warner, is currently deployed. The team is looking forward to his return this fall, as he is a very important part of the Bogh Electric family.

Tony's mother, Jean Bogh, is also very active at her son's business on a daily basis. She is Tony's biggest fan, and has always been very supportive of her son.

Another member of the Bogh Electric team is Holly Pfohl, Tony's office manager. "Holly took me from sticky notes and napkins to a whole new level of organization." Holly assists with scheduling jobs, and keeping the business office running efficiently.

Tony feels honored that his phone rings daily, whether it be a new customer, or a referral received from a competitor. We strive to serve our customers with integrity and quality work. Tony believes his two most important assets are his customers, and taking care of the people that work with him. Everyone that works at Bogh Electric knows that to Tony, reputation is everything, and that he stands by his word.
