North Holladay Drive to get major facelift

By KATHERINE LACAZE EO Media Group

SEASIDE — The city of Seaside plans a major improvement project on North Holladay Drive in coming months. Renovations are slated for portions of the road from Second Avenue to 12th Avenue.

"We're basically going to take that street and take it all the way down to the ground and rebuild it from the ground up," City Manager Mark Winstanley said.

The cost of the project still is "a wild card at this point," because the city has not gone out to bid, Winstanley said. Overall, he expects the project will cost about \$300,000 per block. He said the bid will be awarded later this month or in early September.

The total reconstruction will include replacing all utility lines under the road, installing a new drainage system, laying new pavement and sidewalks, placing new lighting for the road and landscaping. Several years ago, Winstanley said, it came to the city's attention that all of North Holladay Drive needed to be redone but it was not feasible. In 2009, the city chose to rebuild the road from 12th Avenue to 24th Avenue, because that section was worse at the time than the section from Second Avenue to 12th Avenue, he said.

Now the city is in a position to do the second half. Since the water and sewer lines under the road need to be replaced, "we'd want to repave anyway," Winstanley said. "But we think it would be very advantageous and make a huge improvement for the city by redoing the lighting and sidewalks on that road at the same time. It's going to make that section look a lot nicer."

Sixth to 12th

The city has definite plans to reconstruct North Holladay Drive from Sixth Avenue to 12th Avenue. If there is enough money, the second section from Second Avenue to Sixth Avenue will be done. Both sections, however, will go out to bid at one time, Public Works Director Neal Wallace said. Whether the city has enough money for the whole project will depend on the value of the bids that come in.

Sixth to 12th is the main project, and Second to Sixth is the bid alternate. If the numbers are good, we'll do the whole thing," Wallace said.

If the city puts the project out to bid as a whole and the bids came in so high as to make it financially unfeasible, they would have to start over and it would delay the entire process, Wallace said. The city has a limited window of time to do the project, because of its breadth and impact.

We need to get committed to construction in October, after the summer crush is done and things calm down, but early enough that we have an extended period," Wallace said. Come Memorial Day, he added, the roadway and sidewalks need to be open to traffic. By putting both portions out to bid at the same time, he said, "if the totals are good, bang! We're ready to go." If not, then at least the city will not be delayed in tackling the road from Sixth Avenue to 12th Avenue

Alternative to new bridge

The North Holladay Drive project is being done as an alternative to a proposed project to install a new bridge at Avenue U, which was the top priority of the Seaside Improvement Commission, also called the Seaside Urban Renewal Agency. The numbers on the bridge came in "staggeringly high," Wallace said. The city did not have enough money to do it and there wasn't any outside funding source, like the Oregon Department of Transportation.

"We would have tapped ourselves out, and nobody wanted to

go there," Wallace said. The commission then started considering its second highest priority, which was to rebuild

North Holladay Drive. "North Holladay has been a project people have been interested in for a long time and for obvious reasons," Wallace said.

While doing the project block-by-block might be more convenient for the public, it would slow down the process and increase the cost, Wallace said.

"It's definitely going to be a big construction site for six or seven months," he said. "There is no way around it. We try to work hard with the people and not leave too much open."

Residents should have access in and out of their driveways in the morning and evening, as well as during the day for the most part, unless crews are working right in front of a person's house or business. Nevertheless, it will be noisy and there will be debris and holes.

"It is what it is," Wallace said. "But by next spring, it will be wonderful."

OBITUARIES

Frances M. Moss

Frances

Moss

Svensen Jan. 11, 1924 — July 22, 2015

Wash., to Arthur Moss and Bessie Anderson in the "old house" at the family homestead. Here she lived until her graduation from Naselle High School with the class of 1941.

After high school, Frances left Naselle for a job in Olympia, Wash. There she met Kenneth H. Moss, a World War II soldier in the U.S. Army. They were married on Sept. 1, 1942. After briefly living in Missouri, both returned to Naselle, and eventually set their roots in Svensen, Ore., in 1955.

In her 91 1/2 years, as a daughter, sister, wife, mother, grandmother, aunt and homemaker, Frances was always in your corner, and selfless in her commitment to those she met. She was a happy person, humble to a fault, presided over a happy household with doors open to all, and always had a full cookie jar. Mom shared the magic of life and taught us the hidden beauties, and to understand that life wasn't always

As her last child entered the first grade, mom decided to take a "paying" job at Ocean Foods cannery in Astoria, Ore. There she worked tirelessly for 23 years and made many lifelong friends.

Community involvement was endless and very important. A few examples include the KSB volunteer Fire Department Auxiliary, Pinochle and Bingo Nights, Mealsite, Bunco, the Auxiliary "Club" Events, 4-H and County Fair (she won many awards, but her grand champion afghan was the best and was selected "Our Fair Lady" in 1993), and Knappa School Events — especially sports (with the last event of the Knappa vs. Gaston Boys Baseball game this April).

Hunting, fishing, clam digging, gardening, cooking and baking, and canning were abundant through her years. Many animal,

Frances (aka Mom, Gramma, Franny, fish and fowl were cut and packaged, clams Fran, Gramma Moss) was born in Naselle, cleaned, and fruit/vegetables canned in her favorite room of the house - her

Mom had a secret sense of adventure and was "up for anything" at the drop of a hat. This spirit took her to family, friends, garage and rummage sales, travel (in the U.S. and abroad), sporting events and to "play the machines" to name a

Mom was a woman of great inner strength and beauty, was more than a role model — she was a best friend and

a loving mom — the best mom to all she Frances was preceded in death by both

parents; sister, Jeanette; brothers, Earl, Delbert "Buddy," and Curt; husband, Kenneth H. Moss; son, Kenneth A. Moss; and daughter, Kim E. Snider. She had to leave behind to carry on her spirit with daughter, Phyllis Ann; sister, Earlene Mattson; daughter in law, Katherine Moss; grandchildren, Brian Moss (Holly) and Jennifer Cullers (Justin); great-grandchildren, Maloree and Kody Moss and Bryce Cullers; plus numerous cousins, nieces/nephews, and longtime friends and extended family members.

A special thank you for their support, love, and care for my mom to the employees and friends at Astor Place and the staff at Columbia Memorial Hospital.

Ocean View Cremation and Burial Service in Astoria is in charge of the arrangements. Please sign the online guest book at www.oceanviewastoria.com

Private family burial at Pleasant Hill Cemetery in Naselle, Wash., takes place Saturday, Aug. 22, 2015, at 10 a.m., officiated by Andy Mattson, and is followed by an open house celebration of Frances' life at mom's love and joy — her house in Svensen (92713 Simonsen Road) — on Aug. 22, 2015, from 2 to 5 p.m.
