Redmen Hall hosts summer art exhibit

SKAMOKAWA, Wash. — Redmen Hall will present two well-known California artists for its next exhibit. Bob and Jenny Kizziar were active in the California art scene for many years before moving to Cathlamet, Washington. They have exhibited their work throughout the United States and Europe and have given seminars in art gatherings in the American West, Germany and Ireland. Bob Kizziar works with clay, creating exciting forms from 6-foot-tall columnar pieces to small complex pots. His outstanding surfaces are his signature. Ex-

perienced with the uncertainties of the kiln, he works with the uncertainty, creating finished pieces of drama and beauty. Jenny Kizziar originally worked with porcelain, producing delicate pots and small pieces, but was always drawn to weaving. Bob bought her a loom five years ago, and she started producing work that she felt was at last expressing her artistic vision. She uses soft, muted colors and a wide variety of fibers creating elegant pieces of wearable art. There will be an opening reception from 1 to 3 p.m. Saturday,

Aug. 8 at Redmen Hall. The artists will be present to discuss their work, and refreshments will be served. Redmen Hall is located at 1394 Washington State Route 4. For more information, call 360-795-3007. Opening reception 1 to 3 p.m. Saturday, Aug. 8 Redmen Hall 1394 Washington SR 4, Skamokawa, Wash. 360-795-3007
