# Fishermen win a shootout, 26-21

How much can two teams pack into one wild night of high school football?

The final score was normal enough Friday night at Columbia Memorial Field: Astoria 26, Taft 21

But a few of the statistics from the season opener at CMH showed just how wild it was, as the Tigers and Fishermen:

• Combined for 39 first downs and 713 yards in total offense;

• Racked up 131 yards in penalties, with six turnovers;

• Astoria outgained Taft on the ground, 301 yards to minus-three; and Taft passed for 330 yards, to Astoria's 85;

While individually .

• Taft quarterback Everett Thomas completed 30-of-60 passes for 325 yards; and Astoria running back Carter Wallace countered with 210 rushing yards and two touchdowns.

And when the pieces of artificial turf had settled, the "right" team had won, as the Fishermen rallied from a 21-7 deficit in the third quarter to beat the Tigers in front of a packed house.

"That's crazy," said Astoria coach Howard Rub, when he first got a look at the stats. "And (the Tigers) ran 81 plays, which tells you something about their tempo. They run a lot of plays.

"It's good to get a win at the new facility," he said. "Being down 21-7 and fighting back against a good team that returns a lot of guys from a playoff season a year ago."

After the Fishermen closed to within 21-14 early in the third quarter, Wallace scored twice in the final 12:05, including the go-ahead touchdown with 4:52 left. He finished the game with 28 carries.

"It helped to take some breaks on defense, but I kept most of my power," Wallace said after the game. "I just put it all behind me, and kept running the ball as hard as I could."

Meanwhile, the scouting report on Taft: The Tigers don't have a run game, nor can they stop one.

he is a load," Rub said. "On

In between those drives, Rub said, "it felt like the defense was on the field for the entire first half. It was definitely a rough first half. The first three minutes were out of sight, then for whatever reason, it took a turn."

The Fishermen made up for a lack of offense with their defense.

Cade O'Brien and Kyle Strange had interceptions in the first half, and Thomas threw two more picks in the fourth quarter.

After an Astoria turnover with 7:31 left, a third-down pass by Thomas was intercepted by Bronson Holthusen, who returned his first career pick (and first career touch of a foot-

ball during a game) to the Taft 42-yard line.

"Bronson's interception was a real critical play to get us the ball back," Rub said. "It was a heads up, athletic play."

Five plays later, the Fishermen were in the end zone with the go-ahead score, as Fridtjof Fremstad marched Astoria downfield with completions to Ryan Palek, Ryker Helmersen and Jacob Olson, before Wallace capped the drive with a nine-yard scoring run.

The Tigers had one last possession, but Helmersen ended that with Astoria's fourth interception of the night with under two minutes left.

Granted, the Fishermen

were not at their Friday night best.

The Astoria defense gave up 327 yards in total offense; the Fishermen were whistled for 12 penalties, turned the ball over twice, and failed to cover an onside kick when everyone in the stadium knew there was going to be an onside kick.

(The Tigers had four kickoffs, all onside kicks. They recovered the opening kickoff to start the second half.)

"It was good to see us deal with adversities throughout the night, whether it was a turnover. penalty, or them getting an onside kick to start the second half," Rub said. "We had to overcome ourselves at times, which is typical of an opening game.

"I was real pleased with the adjustments we made at halftime. The one touchdown they had (a 40-yard strike to Alroy Zacarias), we were not aligned properly. Other than that, defensively we did a pretty good job. We played a lot more man coverage, and brought more pressure.'

Astoria will have another big test this week, when they play at North Bend.

"We're setting the tone for the season," Wallace said. "We have a lot to improve on, but we're on our way to something."

down."

and-goal inside the Astoria 4-yard line, but came up empty when the Fishermen stuffed several run plays. Taft finished the game with minus-three yards on 21 carries.

And after the Tigers had taken their 21-7 lead in the third period, Astoria answered with a six-play, 45-yard drive, all on the ground, with Samboy Tuimato capping the drive on a 1-vard run.

'That was a big answer," Rub said. "To go boom, boom, boom down the field was a great answer."

Alec Bell scored a late consolation touchdown for Ilwaco on a 1-yard run and Jorge Galvan added the PAT.

"They are a big, powerful team," coach Kevin McNulty said of the No. 4-ranked Hyaks. "The second half we showed up and played football. We found a couple of ball players who stepped up."

"It was good to get everybody in, and everybody had a little taste of success," said coach Jeff Eaton.

# Lady Fishermen fall to North Bend in 10-0 loss

#### The Daily Astorian

NEWPORT — North Bend came out aggressive and dominated from start to finish Saturday afternoon, in a 10-0 win over Astoria.

The nonleague girls soccer game was played at Newport.

"It was hot. We pulled together," said Astoria coach Sarah von Colditz.

Astoria "moved the ball up the field more in the first half," she said. "We uti-

lized our wings well which allowed us more chances in the attacking half of the field. Our passing is much improved from last year, and looked very beautiful when we were in possession."

Still, the Bulldogs won almost every ball in the air, while the Fishermen were missing several key starters, including goalkeeper Lexis Law, Sariah Deiffenbach, Rachel Simmons, Cammy Tetlow and Kelsey Hunter.

"Every game is a new

game," said Astoria's Jenna Rudolph. "Every shot is a new shot. I love my team."

#### **Boys Soccer** North Bend 5, Astoria 1

NEWPORT — In the second game of a soccer doubleheader at Newport, North Bend defeated Astoria 5-1 in a nonleague boys' game.

The Bulldogs entered with preseason victories over Junction City and Cottage Grove.

Astoria was down to 10

players just seven minutes into the game, following a red card on the Fishermen on a handball in the penalty box.

North Bend converted the penalty kick, then added two goals for a 3-0 halftime lead.

Astoria scored in the 70th minute, Tyler Gagnon unassisted.

Astoria senior captain Rory Loughran commented, "We showed improvements since our last game, but we obviously still have work to do."
