Oregon Construction Contractor's Law requires that all those who advertise remodeling, repair or construction services be registered with the Construction Contractor's Board. Registration means contractors have bonds and insurance on the job site. For your protection, be sure any construction contractors you hire are registered. If they are not, or if you are a contractor who wishes to register, call Construction Contractor's Board in Salem, OR 1-503-378-4621.

NOTICE: Oregon Landscape Contractors Law (ORS 671) requires all businesses that advertise landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number assures the business has a bond, insurance and an associated individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call (503)378-5909 or use our web site: www.lcb.state.or.us to check license status before contracting with the business. Persons doing landscape maintenance do not require a LCB license.

Oregon state law requires anyone who contracts for construction work to be licensed with the Construction Contractors Board. An active license means the contractor is bonded and insured. Verify the contractor's CCB license through the CCB Consumer Website www.hirelicensedcontractors.com
