Q: What is the difference between a King size and California King size beds?

A: A king size mattress (or Eastern King) measures 76" x 80", and is considered to be the industry standard king mattress size. A California King measures 72" x 84", and is a much less popular choice for a king size mattress.

Q: What internet service provider do you recommend?

A: Rates from both Charter and Centurylink are comparable. If you live in town, Charter gives you higher speeds. If not in town, Centurylink, not satellite, is your best choice for speed and price. Sign up at our office, and we'll include a \$59.99 tune up for FREE! Astoria's Best—We're Microsoft Certified, and both Charter and Centurylink authorized agents...YOUR best choice when it comes to technology.

Q: I just got a new HDTV and my picture doesn't look very clear. What can I do?

A: You need to be sure that you have HD equipment and service. Without the proper system, your picture will not be as good as it should be. Both Dish & Directv offer the best in HD programming. Give us a call. We can help! If you already have Dish or Directv you may need to upgrade your equipment and we can help with that too!
