Adopt a Pet

The shelter is in *special need* of good homes
for many wonderful pets!... **CAN YOU HELP?**

**Hooooowl-oween Safety Tips for
your Furry Friends:**

**Keep all Halloween treats, especially chocolate,
and candy wrappers out of paws reach.**

**Lit pumpkins should be kept away from your pets!
Wagging tails could knock them over, resulting in
a fire or severely burning your pet.**

**If you plan on dressing your pet in a costume,
please keep in mind that unless your pet is
receptive to this, it can cause stress and
discomfort. Make sure the costumes are safe and
comfortably fit your pet.**

**The best place to guarantee your pet's safety and
comfort is in another room where it's quiet and
peaceful. Constant knocking and the doorbell
ringing can cause anxiety in some pets.**

**Make sure your pets are wearing proper
identification or are micro chipped if you are
unable to keep them indoors.**
