Making a difference in Clatsop County

Clatsop County would be a much different place without its nonprofit organizations. These groups enrich our lives across a broad spectrum – from health and human welfare to youth athletics to the arts and culture.

Giving Back is a celebration of the nonprofits and what they do for our communities. We have documented 95 of them in this publication.

The Daily Astorian is grateful to the men and women who raise the money for these non-profits. This will become an annual publication.
