

Friends of Astoria Column, Inc.

PROGRAM OVERVIEW

The Friends of Astoria Column, in addition to providing daily maintenance for the column and grounds, have strived to promote the Column and increase visibility and awareness for this National Landmark that welcomes over 400,000 visitors a year.

Built in 1926 on top of Coxcomb hill, the Astoria Column is a national landmark whose historic murals celebrate the earliest moments of Northwest history.

The historic and intricate murals that grace the exterior of the Column require periodic conservation due to punishing weather conditions.

In addition to raising the necessary funds for intensive restorations of the Column, the Friends have enhanced the site with ADA-accessible plaza restoration, seismic upgrades, and replacement of the interior spiral stairs.

Friends of Astoria Column, Inc.

PO Box 717, Astoria, OR 97103

Mission Statement:

Formed in 1988, The Friends of Astoria Column, Inc. is a 501 (c) (3) nonprofit organization dedicated to protect the Column's historic significance through preservation, stewardship, and public awareness

VOLUNTEER

The Friends of Astoria Column rely on the support of individuals, local businesses, corporations and foundations. There are various fundraising events that happen throughout the year. Visit www.astoriacolumn.org for the latest events and the many ways to give or volunteer.
