DISTRICT PROGRAMMING

The District offers a wide range of programs and activities. On the Aquatics side, swim lessons for youth ages 3-12 are one of the most sought after programs. The recently reorganized Seaside Swim Team picks up where the swim lesson program leaves off, continuing students' development and proficiency in the water.

Sunset Pool also offers lap swim and open swim times, as well as a wide array of water fitness classes in both the lap pool and the warm water therapy pool. Try our Aqua Core, Aqua Pilates, Ai Chi for Arthritis or our new Yo-Qua class that practices specific yoga poses in the water.

Our Seaside Youth Center offers a variety of youth oriented programs from morning pre-school classes, after school programs for kindergarten

through 5th grade, to our after school enrichment program for middle school students. We also offer day-off camps for school inservice days.

Our youth summer camp program offered monday through friday during the summer months, offers parents a safe, enriching environment for their child. Program participants take part in outdoor games, swimming, gardening, and weekly field trips.

The District also offers traditional dry land fitness classes such as yoga, Zumba, Tabata, Tai Chi, and a circuit class in our fitness room. There is also a Tae Kwon Do class available that challenges both mind and body.

If art is more your speed, choose from a session of Pottery or learn to draw from one our accomplished instructors.
