FUNDRAISING EVENTS

The Astoria Band Boosters conduct several fundraising events throughout the year, most notably the monthly Bottle and Can Recycling drive which takes place the first Sunday of each month at the Astoria High School from 1:00-3:00 PM. All community members are encouraged to save their redeemable plastic and glass bottles and aluminum cans to bring to the school on the first Sundays. The band members sort and bag the items for redemption while earning credits to cover their personal fees and costs of band activities.

Another activity, which is currently taking place, is our annual raffle. This year's prize is a high-end GoPro® Hero 4 Black edition Camera, a \$500 retail value. Tickets can be purchased for just \$10 from your local band member.

The ABB also conducts an annual 4th of July fireworks sale outside the Fred Meyer store in Warrenton and our "I'm With the Band" sponsor program.

You don't have to have a student in the band in order to help. To find out more about volunteering, or to arrange for a sponsorship, or donation, please contact us.

Astoria Band Boosters

Mission Statement:

The Astoria Band Boosters (ABB) is a 501(c)(3) non-profit organization dedicated to the educational and musical goals of the Astoria School District bands through its work with the students and directors, and to provide volunteer and financial support for those participating in the band program.

Vision/Goals:

The Astoria Band Boosters believe that all students within the Astoria School District are entitled to a comprehensive Music curriculum education. It is the Mission of the Astoria Band Boosters, in partnership with the School administration, to enhance the Band program by providing extra needed program supplies, off-site educational instruction, special event activities as well as special or replacement instruments and equipment. We pledge to promote a spirit of camaraderie and goodwill within all areas of the schools and at all times encourage our students to be the best ambassadors possible for the Astoria Schools.
