THINK OF WE *before me.*

WOULD YOU GIVE JUST 5 MINUTES A DAY?

An ordinary individual who joins with others to do extraordinary things. Help change a life in the community where you live.

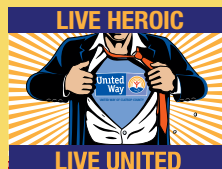

Eight good reasons to give thru payroll deduction:

- It's an easy way to make an investment in your community a little bit at a time.
- One donor form filled out once a year gives all year long.
- Pay-stub and a copy of your donor form are a receipt of your charitable donation for IRS purposes.
- No need to worry about writing checks or whether you paid your pledge each month.
- Your gift provides funding for many important community programs all year long.
- Your company can be one of the many businesses supporting our community by joining the 100% Club.
- A donation of \$500 or more qualifies you to be a member of the Pacific Sunset Leadership Giving Circle (visit website for information).
- It's something you can be **PROUD OF.**

If you earn an average wage of \$15 per hour, it equals 25¢ per minute. Giving 5 minutes a day equals \$1.25/day, \$6.25/week, \$25/month or \$300 annually.
