## Clatsop County libraries awarded \$3,000

The Pacific Power Foundation has awarded \$3,000 to the 2016 Libraries Reading Outreach in Clatsop County program, which provides services to all youth in Clatsop County who are not served by a public library.

Through collaborative work done by the three public libraries and five school districts in Clatsop County, Libraries ROCC helps support the work of schools and teachers through three main goals: getting a library card into the hands of every child ages 0-19; a countywide summer reading program; and courier services to help children return library materials.

Businesses, civic groups, and individuals are also invited to become part of the literacy team at the Little Libraries auction Feb. 11. For information, contact a local library.
