### Notice of Planning Commission Public Hearing

On Tuesday, March 1, 2016 at 7:00 p.m. a public hearing will be held by the Seaside Planning Commission at Seaside City Hall, 989 Broadway, to take testimony regarding the following item:  
16-004HOZ is a Highway Overlay Zone request by David & Candace Remer to refurbish the former Union 76 service station at 2323 S Roosevelt. The owners plan to establish a new restaurant there in conjunction with remodeling the existing building and canopy structure. This will not be a drive thru restaurant but their entrance would be moved further south and the north access would be right out only. The existing paved area would be used for parking and the establishment should accommodate approximately 36 customers inside and 24 customers in an outdoor seating area. The property is zoned General Commercial (C-3) and it is referenced as T6 R10 S2BAC TL: 300 on the County Assessor Maps.

The review will be conducted in accordance with Section 3.400, Appendix G of the Transportation System Plan, and Article 10 of the Seaside Zoning Ordinance which establishes the review criteria and procedures for development in the Highway Overlay Zone.

All interested persons are invited to attend the meetings and submit oral testimony in favor or in opposition to the request. During the hearing, individuals that wish to offer testimony will be called to a microphone by the Chairman of the Planning Commission and asked to state their name and address for the record before they testify. Written testimony is also welcome and will be submitted to the Planning Commission at the time of the hearing. Comments may be delivered to the Community Development Department located at 1387 Avenue U or mailed to 989 Broadway, Seaside, Oregon 97138. A copy of the application, applicable criteria, documents, and evidence relied upon by the applicant are available for review at no charge. Likewise, a staff report will be available for inspection 7 days prior to the hearing. These materials can be reviewed at the Community Development Department. Copies of these materials will be provided at a reasonable cost.

Failure to raise an issue at the meeting, in person, or in writing, or failure to provide sufficient details to afford the Planning Commission and the applicant an opportunity to respond to the issue may preclude appeal to the Land Use Board of Appeals on that issue. For more information, contact Seaside Planning Director, Kevin Cupples at (503) 738-7100.
