Caption: Imposes city tax on retailer's sale of recreational marijuana items

Question: Shall City of Astoria impose three percent tax on sale of recreational marijuana items by marijuana retailer?

Summary: Approval of this measure would impose a three percent tax on the sale of recreational marijuana items by a marijuana retailer within the City of Astoria.

Under Measure 91, adopted by Oregon voters in November 2014 and amended by the Legislature in 2015, the Oregon Liquor Control Commission must license the retail sale of recreational marijuana. The 2015 Legislation provides a city council may adopt an ordinance imposing up to a three percent tax on the sale of marijuana items (which include marijuana concentrates, extracts, edibles, and other products intended for human consumption and use) by retail licensees in the city. The council must refer that ordinance to the voters at a statewide general election. The Astoria City Council has adopted an ordinance imposing a three percent tax on the sale of recreational marijuana items by a retail licensee in the City, and, as a result, has referred this measure to the voters.
