

You deserve *better* than a bank.

Tired of getting the runaround from your bank? Try TLC. Like all credit unions, we're a not-for-profit financial cooperative, owned by our members. So when you join TLC, you're not just a customer, you're a member/owner. Unlike banks, whose job it is to make a profit for its investors, we return all profits we make back to you, in the form of better rates and lower fees. How's that for refreshing? Call us, or visit us at any of our five branches along the Oregon Coast, and discover the credit union difference!
