Minor surgery • Lactation counseling

595 18TH STREET, ASTORIA • 503-325-9131

THE IMPORTANCE OF 24 HOUR ON-SITE LICENSED NURSES

While some communities have nursing assistants or trained on-the-job med-techs, we have Licensed Nurses 24 hours a day/7 days a week. Our Licensed Nurses are more qualified to:

- Recognize changes in conditions
- Distribute medications and monitor reactions
- Manage respiratory issues and monitor oxygen levels
- Be key decision makers in emergency situations
- Monitor diabetic care: injections, glucose levels, skin care
