Celebrating CAREGIVERS

National Nurses Week is in May. Join us in thanking a nurse, nurse's assistant or medical assistant for their dedication and compassion.

The nursing profession has changed tremendously over the past few decades. Nurses now work in a high touch and high tech environment. To keep up with the rapid pace of change, CMH's nurses learn new techniques and refresh existing skills throughout the year.

We are proud of the quality and professionalism of our nursing caregivers. Thank you to all of our direct caregivers for the compassion you show to our patients.
